ASSIGNMENT AND AGREEMENT

For value received, I/We, Arnaud Aliais of 15, rue des Alouettes, 69400 Limas, France; Jérôme Fournier of 6 boulevard des Belges, 69006 Lyon, France; Lazhar Kebbabi of 17, Rue du presbytère, 69008 Lyon, France and Lorrene Bayon of 45 rue Marius Berliet, 69008 Lyon, France hereby sell, assign and transfer to NEXANS having a place of business at 8, rue du General Foy, 75008 Paris, France and their successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to

ELECTRICAL ELEMENT COMPRISING A LAYER OF A POLYMERIC MATERIAL
HAVING AN ELECTRICAL CONDUCTIVITY GRADIENT

described in application No. 14/345,314 for (Letters Patent of the United States/PCT Application); all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions, including continuation, divisional and continuation-in-part applications; and I/we also concurrently hereby sell, assign and transfer to NEXANS the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I/We authorize NEXANS to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits,

including the right of priority provided by any and all treaties, conventions, or agreements.

I/We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of NEXANS to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I/We request that any and all patents for said inventions be issued to NEXANS in the United States and in all countries foreign to the United States, or to such nominees as NEXANS may designate.

I/We agree that, when requested, we shall, without charge to NEXANS, but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection. I/We further grant the right of NEXANS the ability to sign such papers required for the execution of such papers in the case I am unavailable or not contactable for such signature(s).

I/WE HEREBY hereby declare the following:

(1) the above identified application was made or was authorized to be made by me; and

(2) I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I acknowledge that any willful false statement made in such declaration or statement is punishable under section 1001 of title 18 by fine or imprisonment of not more than 5 years, or both.
