ASSIGNMENT FOR PATENT APPLICATION

WHEREAS, I, **MASAO ISSHIKI**, has invented a new and ornamental design
for:

AIR CONDITIONER

described in certain United States design patent applications, namely including United States design patent application no. 29/490,446 filed May 9, 2014 (hereinafter, the "Identified United States Application");

AND, WHEREAS, **TOSHIBA CARRIER CORPORATION**, a corporation organized and existing under the laws of Japan, having a place of business located at 72-34 Horikawa-cho, Saiwai-ku, Kawasaki-shi, Kanagawa, 212-8585, Japan (hereinafter "ASSIGNEE"), is desirous of acquiring certain rights to said invention and under the Identified United States Application;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) or the equivalent thereof, and other good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, we do hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives, our entire right, title and interest in all countries throughout the world, in and to the following: A) said invention and improvements; B) the Identified United States Application; C) any other United States applications (including provisional, divisional, renewal, substitute, continuation, continuation-in-part, reexamination and reissue applications) based in whole or in part on the Identified United States Application, or in whole or in part on said invention and improvements; D) any foreign applications (including international and regional applications) based in whole or in part on any of the aforesaid applications, or in whole or in part on said invention and improvements; and E) in and to any and all Letters Patent, including extensions thereof, which have been or may be granted on any of the aforesaid applications, or on said invention and improvements or any parts thereof;

AND we hereby authorize Wiley Rein LLP, whose address is 1776 K Street, NW, Washington, DC, 20006, to insert hereon any identification necessary or desirable for recordation of this document, including the filing date and application number of said application(s) when known;

AND we hereby agree for ourselves and our heirs, executors and administrators to execute without further consideration any further documents and instruments, which may be necessary, lawful and proper in the prosecution of said above-referenced applications or in the preparation or prosecution of any continuing, substitute, divisional, renewal, reexamination or reissue application or in any amendments, extensions or interference proceedings relating thereto, or which may be necessary to secure to ASSIGNEE its interest and title in and to said invention and improvements or any parts thereof, and in and to said several patents or any of them;
