# ASSIGNMENT

In consideration of One Dollar and other good and valuable consideration, of which I acknowledge receipt, I,

**S. Mill Calvert (Assignor)**

hereby sell, assign, convey, and transfer to

**RISI Associates**

**Trustee for Robot Immobilizer and Signal Interference Foam CRT Trust (Assignee)**

a trust having an address at P.O. Box 11120, Manassas, VA 20113, its successors and assigns the entire right, title and interest in, and to the improvements in, an invention entitled

**Robot Immobilizer and Signal Interference Foam**

invented by me, as described in United States Patent Application Number: 14341779, filed on 26-JUL-2014, and in any and all applications for patent therefor in all countries, including all nonprovisionals, divisions, reissues, continuations, and extensions thereof, and all rights of priority resulting from the filing of the application; and,

authorize and request any official whose duty it is to issue patents, to issue any patent on the invention and the improvements or resulting therefrom to the Assignee, or its successors or assigns; and, agree that on request and without further consideration, but at the expense of the Assignee, I will communicate to the Assignee or its representatives or nominees any facts known to me respecting the invention and improvements and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue, and other applications, make all rightful oaths and generally do everything possible to aid the Assignee, its successors, assigns, and nominees to obtain and enforce proper patent protection for the invention and improvements in all countries; and,

covenant that no assignment, sale, agreement, or encumbrance has been or will be made or entered into by me which would conflict with this assignment, and that full right to assign the invention and improvements is possessed by me. I hereby authorize my attorney, Louis Ventre, Jr., to fill in the patent application number and filing date when known.
