## WORLDWIDE PATENT ASSIGNMENT

This Assignment is made effective as of December 19, 2005, between BIC CORPORATION, a corporation organized and existing under the laws of New York, having a place of business at 500 BIC Drive, Milford, Connecticut 06460, ("Assignor"), in favor of BIC CORPORATION, a corporation organized and existing under the laws of Connecticut, having a place of business at 500 BIC Drive, Milford, Connecticut 06460, ("Assignee").

WHEREAS, Assignor, is the owner of the entire right, title and interest in and to the inventions as disclosed and/or claimed in the applications for Letters Patent and Letters Patent listed in Schedule A (collectively, the "BIC Inventions");

WHEREAS, Assignee is desirous of securing the entire right, title, and interest in and to the BIC Inventions *in all countries throughout the world*, including without limitation in and to (a), the applications for Letters Patent and Letters Patent listed in Schedule A; and (b) the Letters Patent issued or to be issued upon the applications; along with (c) all statutory invention registrations, including reissues, renewals, divisions, continuations, continuations-in-part, supplementary protection certificates, extensions and reexaminations of any of the applications or Letters Patents set forth in subsections (a) or (b) hereof; (d) all inventions disclosed therein; (e) all rights therein provided by international treaties and conventions, and all rights to obtain patents and registrations thereto, and all counterparts to any of the foregoing, in each case *in all countries throughout the world*; and (f) all rights to sue and recover damages or obtain injunctive relief for past and future infringement, misappropriation, violation or breach of any of the foregoing (subsections (a) through (f) hereof, collectively, the "Assigned Intellectual Property").

NOW THEREFORE, be it known that, for and in consideration of the sum of One Dollar (U.S. \$1.00) and other good and valuable consideration, the receipt of which Assignee acknowledges, Assignor, as owner, has sold, assigned, transferred, and set over, and does hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, its entire right, title, and interest in and to the Assigned Intellectual Property *in all countries throughout the world*, and Assignor hereby authorizes and requests any official of any country whose duty it is to issue patents thereon to issue same to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, Assignor HEREBY covenants that it has the full right to convey the interest assigned by this Assignment, and it has not executed and will not execute any agreement in conflict with this Assignment;

AND, Assignor HEREBY further covenants and agrees that it will, without further consideration, execute and deliver any and all papers that may be necessary or desirable to perfect the title to the Assigned Intellectual Property in said Assignee, its successors or assigns, *in all countries*, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns; including without limitation to cooperate, and to require each past or present employee, consultant, representative, contractor, agent or other individual under the custody or control of Assignor (including without limitation
