ASSIGNMENT

This **Assignment** together with any Exhibits attached hereto and incorporated herein (collectively the "Agreement"), is effective as of the 12th day of April, 2012 (the "Effective Date") by and between The Tampa General Hospital Foundation, Inc. ("Assignor") and Florida Health Science Center, Inc. ("Assignee").

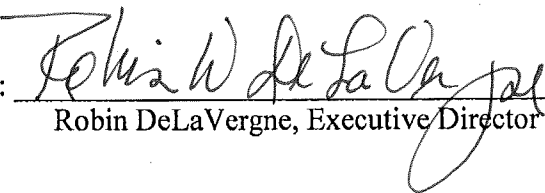

WHEREAS, on the Effective Date, Ms. Karen Bradford executed an assignment of certain rights in connection with United States Provisional Patent Application Serial Number 61/425,872 (the "Patent Application") to Assignor through a document entitled "ASSIGNMENT OF RIGHTS IN PATENT APPLICATION" (the "Original Assignment"), a copy of which is attached hereto as Exhibit A;

WHEREAS, the Original Assignment named The Tampa General Hospital Foundation, Inc. as the assignee, as opposed to naming Florida Health Science Center, Inc. as the assignee; and

WHEREAS, Assignor and Assignee wish to confirm that Assignee is the true and correct owner of the rights and interests assigned in the Original Assignment;

NOW, THEREFORE, Assignor hereby assigns and transfers unto Assignee, and Assignee's successors and assigns, all right, title and interest Assignor has or may have in and to (i) any and all inventions disclosed in the Patent Application or in any application for letters patent in any country or jurisdiction worldwide that directly or indirectly claims priority to the Patent Application, and (ii) the Patent Application and any patent application in any country or jurisdiction worldwide that directly or indirectly claims priority to the Patent Application, and (iii) any Letters Patent which may hereafter be granted on the Patent Application or an any application for letters patent in any country or jurisdiction worldwide that directly or indirectly claims priority to the Patent Application (including any divisions, renewals, continuations in whole or in part, substitutions, conversions, reissues, prolongations or extensions thereof).

The Tampa General Hospital Foundation, Inc. (Assignor)
