ASSIGNMENT AND DECLARATION

FOR VALUE RECEIVED, I, Justin Fisk
residing at 272 Doyle Ave, Providence, RI 02906 (USA)
hereby sell, assign, transfer and convey unto Becton, Dickinson and Company,
a corporation of New Jersey
having a place of business at 1 Becton Drive, Franklin Lakes, NJ, 07417
its successors, assigns and legal representatives (hereinafter called the "Assignee"), the entire right, title and interest, for all countries, in and to
certain inventions relating to SPLIT PISTON METERING PUMP
and described in applications for Letters Patent of the United States Application submitted on even date herewith, and in and to said application,
and all divisions, renewals and continuations thereof, and all Letters Patent of the United States which may be granted, thereon, and all reissues and
extensions thereof, and all applications for Letters Patent or other grants of protection of proprietary rights including, but not limited to, inventor's
certificate, utility model, utility certificate, patent of importation, registration of patent and industrial design registration which may be filed, and
which may be granted, upon said inventions in any countries or regions foreign to the United States, and all reissues, renewals and extensions
thereof; and I hereby authorize and request the Commissioner for Patents and Trademarks of the United States, and all officials of countries or
regions foreign to the United States having authority so to do, to issue all such Letters Patent or other grants of protection upon said inventions to
the Assignee or to such nominees as it may designate.

The above identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment
of not more than five (5) years, or both.

AND I authorize and empower the said Assignee or nominees to invoke and claim for any application for such Letters Patent or other
grants of protection for said inventions filed by it or them, the benefit of the right of priority provided by the International Convention for the
Protection of Industrial Property, as amended, or by a convention which may henceforth be substituted for it, and to invoke and claim such right of
priority without further written or oral authorization from us.

AND I hereby consent that a copy of this assignment shall be deemed a full and formal equivalent of any assignment, consent to file or
like document which may be required in any country or region for any purpose and more particularly in proof of the right of the said Assignee or
nominees to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property,
as amended, or by any convention which may henceforth be substituted for it.

AND I hereby covenant that I have the full right to convey the entire right, title and interest herein assigned and that I have not executed
and will not execute any agreement in conflict herewith.

AND I hereby covenant and agree that I will communicate to said Assignee or nominees all facts known to us pertaining to said
inventions, and testify in all legal proceedings, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful
oaths and declarations and in general perform all lawful acts necessary or proper to aid said Assignee or nominees in obtaining, maintaining and
enforcing all lawful patent or other grants of protection of said inventions in any and all countries and regions.

IN TESTIMONY WHEREOF, I hereunto set my hand:
