AND WHEREAS, Duquesne University of the Holy Spirit, having a place of business at 600 Forbes Avenue, Pittsburgh, Pennsylvania 15282 (hereinafter the "Assignee"), is desirous of acquiring the entire right, title and interest in and to said applications and the compositions, methods, inventions, discoveries, and improvements therein disclosed;

NOW THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration paid to me by said Assignees, receipt whereof I hereby acknowledge, I do hereby assign, sell, transfer, and set over unto said Assignee the entire right, title, and interest in and to said applications and the compositions, methods, inventions, discoveries and improvements therein disclosed for the United States of America and its territories and all foreign countries and any Letters Patent(s) which may issue therefor in the United States and its territories and all foreign countries and all divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, including the right to apply for Letters Patent(s) in each foreign country and the United States of America and its territories, in its own name and to claim any and all priority rights and any and all benefits under the International Convention, other conventions, treaties, or otherwise associated therewith for each country and the United States of America and its territories, said Assignee to have and to hold the interests herein assigned to the full ends of the terms of said Letters Patent(s) and any and all divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by me had this Assignment not been made.

The Commissioner of Patents and Trademarks is requested to issue such Letters Patent(s) in accordance herewith, and I request that any and all Letters Patent(s) for said inventions and said applications be issued to said Assignee, its respective successors, assigns, and legal representatives or to such nominees as said Assignee may designate. And for said consideration, I agree individually that I will communicate to said Assignee or the representative thereof any facts known to me respecting said compositions, methods, inventions, discoveries and improvements, and will, upon request, but without expense to me, testify in any legal proceedings, sign all lawful papers, execute all divisional, reissue, continuation, continuation-in-part, renewal, and/or extension applications, make all rightful oaths, and generally do all other and further lawful acts, deemed necessary or expedient by said

Assignee or by counsel for said Assignee, to assist or enable said Assignee to obtain and enforce full benefits from the rights and interests herein assigned, and, in the event of any application or Letters Patent(s) assigned herein becoming involved in an Interference, to cooperate to the best of the ability of the undersigned in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof.
