ASSIGNMENT

WHEREAS, Christopher M. Campbell, a citizen of the United States, residing at 7202 Cenrose Circle, Westwood, New Jersey 07675; and Todd Harrington, a citizen of the United States, residing at 838 Ridge Road, Golden Colorado 80403, as assignors, have invented improvements in

BONE SCREW RETAINING SYSTEM

for which U.S. Application No. 09/665,530 for Letters Patent was filed in the U.S. Patent and Trademark Office on September 19, 2000.

AND WHEREAS, STRYKER SPINE S.A., a corporation of France, having a place of business at ZI-Marticot, 33610 Cestas, France, as assignee, is desirous of acquiring all right, title and interest in and to said invention and any Letters Patent that may be granted therefor. *DATE 2/11/04*

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, we as assignors hereby sell, assign and set over to said assignee the entire right, title and interest for the United States of America and all other countries in and to said invention and the aforesaid application for Letters Patent, all original, divisional, continuation, substitute or reissue applications and patents applied for or granted therefor in the United States of America and all other countries, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said improvements or resulting therefrom to said assignee herein, as assignee of the entire interest therein; and the undersigned for us and our legal representatives, heirs and assigns do hereby agree and covenant without further remuneration, to execute and deliver all divisional, continuation, reissue and other applications for Letters Patent on said improvements and all assignments thereof to said assignee or its assigns, to communicate to said assignee or its representatives all facts known to the undersigned respecting said improvements, whenever requested, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths, and to do generally everything necessary to aid assignee, its successors, assigns and nominees to obtain patent protection for said improvements in all countries, the expenses incident to said applications to be borne and paid by said assignee.

And we do hereby authorize our attorneys, to insert on this deed the filing date and application number of said application when known.
