ASSIGNMENT

WHEREAS, we, **Herbert W. Spencer, III; Christopher M. Canfield; Harlan Hutson; Vince Conroy and Steven A. Hickerson** ("Assignor"), having an address of: c/o Acuity Systems, Inc., 208 W. Main Street, Suite P-1, Visalia, California 93291, have invented certain new and useful improvements disclosed in International Patent Application No. PCT/US2014/31247, entitled "Authentication System", filed March 19, 2014 which claims priority from United States Provisional Patent Application No. 61/821,176, entitled, "Authentication System", filed May 8, 2013, and United States Provisional Patent Application No. 61/803,319, entitled, "Authentication System", filed March 19, 2013 (the "Patent Applications"); and whereas we are now the co-owners of all rights in the Patent Applications; and

AND WHEREAS, **ACUITY SYSTEMS, INC.** having a business address at 208 W. Main Street, Suite P-1, Visalia, California 93291 (hereafter, together with any successors, legal representatives or assigns thereof, called ("Assignee") wants to acquire the entire right, title and interest in and to said improvements and said Patent Applications and any patents which may be granted thereon:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we do hereby sell, assign, transfer and set over to Assignee our entire right, title and interest in and to said improvements, and said Patent Applications and all divisions, substitutions, continuations and continuations-in-part thereof, and all applications claiming the benefit of the Patent Applications, and all patents which may be granted taking priority from the Patent Applications and all patents which may be granted taking priority from the Patent Applications, and all reissues and extensions thereof, and all priority rights under the International Convention for the Protection of Industrial Property for every member country, and all applications for patents (including related rights such as utility-model registrations, inventor's certificates, and the like) heretofore or hereafter filed for said improvements in any country, and all patents (including all extensions, renewals and reissues thereof) granted for said improvements in any country; and we hereby authorize and request the United States

Commissioner of Patents and Trademarks, and any officials of foreign countries whose duty it is to issue patents on applications as aforesaid, to issue all patents for said improvements to Assignee in accordance with the terms of this assignment;

AND WE HEREBY covenant that we do hereby sell, assign, transfer and set over to Assignee our entire right, title and interest in and to said improvements and said Patent Applications effective retroactive to the date of first filing of the Patent Applications;

AND WE HEREBY covenant that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, an agreement in conflict herewith;

AND WE HEREBY further covenant and agree that we will communicate to Assignee any facts known to us respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuations-in-part, substitute and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee to obtain and enforce proper patent protection for said improvements in all countries.
