Surgical Prosthesis Patent

THIS DEED OF ASSIGNMENT is made on the Tenth day of December 2003.

BETWEEN Bio Nova Holdings Pty Ltd ACN 068 698 920 a company incorporated in the State of Victoria, in the Commonwealth of Australia, and with its registered office at 36 Munster Terrace, North Melbourne, Victoria, 3051, Australia (hereinafter called "the Assignor")

AND Kryocor Pty Ltd ACN 071 858 387 a company incorporated in the State of Victoria, in the Commonwealth of Australia, and with its registered office at 36 Munster Terrace, North Melbourne, Victoria, 3051, Australia (hereinafter called "The Assignee")

WHEREAS

- A. The Assignor is the owner of the Patents (as hereinafter defined).
- B. The Assignor has agreed to assign the Patents to the Assignee, for and upon the terms hereinafter set forth.
- C. The Assignee has agreed to enter into this Deed of Assignment with the Assignor.

NOW THIS DEED WITNESSETH AS FOLLOWS:

1. In this Deed of Assignment, the following expressions shall have the meanings set out below:
 - (i) "The Patents" shall mean the granted patents and pending patent applications, particulars of which are set forth in the Schedule hereto.
 - (ii) "The Schedule" shall mean the Schedule to this Deed of Assignment.
2. Pursuant to the agreement made between the Assignor and the Assignee, and for good and valuable consideration paid by the Assignee to the Assignor (the receipt and sufficiency of which is hereby acknowledged by the Assignor), the Assignor HEREBY ASSIGNS, TRANSFERS AND SETS OVER unto the Assignee the Patents, together with ALL THE BENEFIT THEREOF including, but not limited to, the whole right, title and interest to the invention or inventions the subject matter thereof, all rights in the nature of Letters Patent conferred thereby, and (in the case of any of the Patents which at the date of executing this Deed of Assignment is a pending patent application) all the rights in the nature of Letters Patent which may be obtained therefrom, and together with all the rights, powers, liberties and immunities arising therefrom, and including all rights of action whether past or present in respect of any of the Patents against any party, TO HOLD the same unto the Assignee absolutely.
3. The Assignor hereby undertakes that, upon receiving a request from the Assignee, and at the Assignee's expense, it will execute all documentation and provide all assistance and information necessary or desirable for further assuring the title of the Assignee to the Patents and, that in the case of any of the Patents which at the date of executing this Deed of Assignment is a pending patent, it will provide all information and assistance necessary or desirable to assist in prosecuting any of the Patents to grant or issue.
4. The Assignor hereby appoints the Assignee to be its Attorney, for it, and/or in its name, and/or on its behalf to execute each and every document which may be necessary to register the assignment of any of the Patents pursuant to this Deed of Assignment, and the Assignor hereby covenants
