General Assignment

WHEREAS, I, HU, Lili, Vrouw Van Mechelenstraat 28, 2800 Mechelen, Belgium (hereinafter called "Assignor"), was employee of Tibotec BVBA at the time the invention "Imidazopyridines as Respiratory Syncytial Virus antiviral agents" ("Invention"), was made and am inventor of that invention,

for which on 16 December 2010, European Patent Application no. 10195474.1 was filed at the European Patent Office;

WHEREAS, I am named as co-inventor in the above-identified patent application; and

WHEREAS, the conditions under which said Invention was made are such as to entitle Tibotec BVBA having its place of business at Turnhoutseweg 30, 2340 Beerse, Belgium (hereinafter called TIBOTEC or "Assignee") to the entire right, title and interest to said Invention and improvements thereof, including the right to claim priority of a priority application for the Invention, both domestic and foreign; and

WHEREAS, TIBOTEC is desirous of acquiring Assignor's entire right, title and interest in the Invention and improvement thereof, including the right to claim priority of a priority application for the Invention, both domestic and foreign.

NOW, THEREFORE, BE IT KNOWN, that, for good and valuable consideration the receipt of which from TIBOTEC is hereby acknowledged, the Assignor hereby assigns and transfers to TIBOTEC his entire right, title and interest, including the right to claim priority of a priority application for the Invention, in and to said Invention and improvements thereof, which may be disclosed in a patent application and in and to said patent application, and all foreign equivalents thereof, including all substitutions, divisions, and continuations thereof, and in and to all Letters Patent, both domestic and foreign, that may be granted for said Invention, and in and to all extensions, renewals, and reissues thereof, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

I covenant that I have the full right and obligation to convey the interest assigned by this Assignment, and I have not executed and will not execute any agreement in conflict with this Assignment.

I further agree to make, execute and deliver to TIBOTEC upon request, any and all papers, documents, declarations, affidavits, or other instruments that may be necessary in the prosecution of any application or applications for the Invention and improvements thereof or reissues of Letters Patent, and to assist TIBOTEC in every way as may be requested in protecting said Invention. I acknowledge that this obligation includes the duty to execute, in a timely manner, any Declaration and Power of Attorney that may be necessary in the prosecution of applications relating to said Inventions in the United States or elsewhere.

I agree that this general assignment is effective from 16 December 2010.

IN TESTIMONY WHEREOF, Assignor has hereunto set his hand and seals this date.
