ASSIGNMENT OF PATENT

Whereas, we, Julie L. Boyer, having an address at 107 Beryl Way, Watervliet, NY 12189, USA; and, Aroop Kumar Roy, having an address at 20 Gladstone Circle, Mechanicville, NY 12118, USA; hereinafter collectively referred to as "Assignors," have invented, a new and useful invention entitled "ACTIVATION OF METAL SALTS WITH ORGANOSILANES AND THEIR USE IN HYDROSILYLATION REACTIONS", for which U.S. Provisional Patent Application No.: 61/823,599 was filed on May 15, 2013, having Attorney Docket Nos. 5072175-1 and 32219-00366, and U.S. Utility Patent Application No. 14/278,099 was filed May 15, 2014, having Attorney Docket Nos. 5072175 and 32219-00457, (the "Patent");

Whereas, Momentive Performance Materials Inc., having an address at 260 Hudson River Road, Waterford, NY 12188, hereinafter referred to as "Assignee," is desirous of acquiring our entire right, title and interest in and to the Patent;

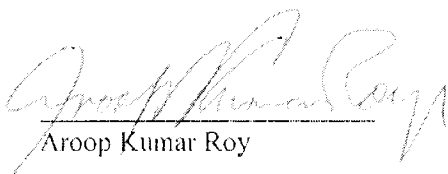

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we, the Assignors, by these presents do sell, assign and transfer unto Assignee, its successors and assigns, Assignors' full and exclusive right to the Patent and all letters patent of the United States or of countries foreign to the United States that may be or have been issued on the invention disclosed in the Patent, all non-provisional applications relating thereto, and all divisions, reissues, extensions, re-examinations, continuations, and continuations-in-part based in whole or in part thereof, and all inventions disclosed therein, together with all claims for damages by reason of past or future infringement, with the right to sue for and collect the same for the use and benefit of Assignee and its successors and assigns.

Assignors warrant that they are the owner of a legal and equitable interest in the Patent and the invention disclosed therein; and that they have the full power, authority, and capacity to make

this Assignment to Assignee and have not executed and will not execute any agreement. Assignors covenant and agree for themselves and for their successors and assigns that, at Assignee's request, Assignors will cause to be executed and delivered any applications, affidavits, assignments, and other instruments as may be deemed necessary or desirable by Assignee or other joint owner to secure for or vest in Assignee, its successors or assigns, the right, title, and interest in and to any application, patent, or other right or property covered by this assignment, including the right to apply for and obtain patents in foreign countries under the provisions of the International Convention; and Assignors hereby request and authorize the United States Commissioner of Patents and Trademarks to issue any and all United States patents granted on the Patent to Assignee as owner of our entire right, title, and interest in and to the same, and authorizes appropriately empowered officials of foreign countries to issue any letters patent granted on the Patent to Assignee as owner of our entire right, title, and interest in and to the same.
