Michael J. Borrelli  
4301 West Markham Street  
Little Rock, AR 72205

confirm our obligation to and effective as of November 8, 2011, hereby sell, assign and convey, unto Assignee, its successors and assigns, our entire right, title and interest –

(1) in and to an invention entitled "METHODS AND COMPOSITIONS FOR X-RAY INDUCED RELEASE FROM pH SENSITIVE LIPOSOMES" for which International Patent Application No. PCT/US2012/064087 filed November 8, 2012 (Attorney Docket No. 5965-00034) (hereinafter the "International Patent Application"), which claims the benefit of U.S. Provisional Application 61/556,936, filed November 8, 2011;

(2) in and to said International Patent Application, in and to all other patent applications derived from or relating to said International Patent Application (including divisional, continuation, continuation-in-part, §111(b) provisional, §111(a), and reissue applications) based upon said invention, and in and to the patent or patents to be granted thereon, including reissues or reexaminations thereof, if any, to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) in and to all applications filed under International Conventions on the invention or claiming priority to the International Patent Application.

We agree that any patent applications with a claim to priority based on said International Patent Application may be filed in the name of Assignee.

We hereby agree that we will, upon demand of Assignee, its successors or assigns, and without further consideration to us, execute any and all papers that may be necessary, or deemed to be necessary, by Assignee, its successors or assigns, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by us.

The Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said United States patent or patents to Assignee.
