PATENT ASSIGNMENT AGREEMENT

This Patent Assignment Agreement ("Assignment") is made and entered into as of the 14th day of July, 2014 ("Effective Date"), by Nalco Company having a place of business at 1601 West Diehl Road, Naperville, IL 60563 and being a corporation of the State of Delaware ("Nalco"), and Ecolab USA Inc. having a place of business at 370 N. Wabasha Street, St. Paul, MN 55102 and being a corporation of the State of Delaware ("Ecolab").

WHEREAS, Nalco owns certain patents and patent applications and seeks to reassign certain of such patents and patent applications as defined in Exhibit A hereto to Ecolab.

NOW, THEREFORE, for good and valuable consideration, the receipt of all of which is hereby acknowledged:

1. Nalco hereby sells, assigns, and transfers to Ecolab, its successors and assigns, all of Nalco's right, title, and interest throughout the world in and to the patents and patent applications listed on attached Exhibit A ("Assigned Patents and Patent Applications"), including provisional, non-provisional, divisional, continuing, or reissue applications based in whole or in part on any and all inventions disclosed therein, and any and all patents which may be granted on any of the assigned patent applications or on said inventions or any part thereof. This assignment to Ecolab expressly includes Nalco's full right to sue for and recover all damages recoverable for past infringement of the Assigned Patents and Patent Applications, all of which is to be held and enjoyed by Ecolab, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Nalco had no assignment of the Assigned Patents and Patent Applications been made.

2. Nalco hereby agrees for itself, its parent, subsidiaries, affiliates, successors and assigns, to execute without further consideration any further lawful documents and any further assurances, and any provisional, non-provisional, divisional, continuing, reissue, or other applications for patents of any country, that may be deemed necessary by Ecolab fully to secure to Ecolab its interests in and to said Assigned Patents and Patent Applications or any part thereof.

IN WITNESS WHEREOF, Nalco has caused this Assignment to be executed by a duly authorized representative on the date shown below.

NALCO COMPANY

By: 

Michael P. Murphy
Assistant Corporate Secretary

Date: July 14, 2014
