ASSIGNMENT

WHEREAS, I, Harold W. Geates of Berrien Springs, Michigan, have made certain inventions which are described in an application for Letters Patent of the United States entitled HYDRAULIC LEVELING SYSTEM IMPROVEMENTS executed by me preparatory to obtaining United States Letters Patent therefor, and for which benefit of U.S. Provisional Patent Application No. 61/869,303, filed August 23, 2013, is claimed, and

WHEREAS, Actuant Corporation, a Wisconsin corporation having a place of business at N86 W12500 Westbrook Crossing, Menomonee Falls, Wisconsin 53051, (hereinafter called Company), is desirous of acquiring the entire interest in said inventions throughout the United States of America and the territories thereof and for all foreign countries.

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) to me in hand paid, and other good and valuable consideration, receipt whereof is hereby acknowledged, I hereby sell, assign, and transfer unto said Company, its successors and assigns, effective retroactively from the date of making said inventions, the entire right, title and interest throughout the United States of America and the territories thereof and for all foreign countries, in and to said inventions, the aforesaid application, and all other applications hereafter filed in the United States or any other country based in whole or in part on said inventions, and all Letters Patent granted upon said application by the United States or any other country, and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said Company. I further grant to said Company, its successors and assigns, the right to claim for any of said applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries.

I hereby warrant that I have the full right to make the conveyance herein, and I hereby covenant that I, my heirs, legal representatives and assigns, will, when requested, communicate to said Company, its representatives, successors and assigns, all facts known respecting said inventions, execute all applications including regular, divisional, continuing, reissue, reexamination and foreign applications together with individual assignments therefor, make all rightful oaths, sign all lawful papers, testify in any legal proceeding and generally do everything possible to aid said Company, its successors and assigns, in the obtaining of Letters Patent.

IN TESTIMONY WHEREOF, I have hereunto set my hand on the date indicated below my signature.

WITNESSES:
