ASSIGNMENT

WHEREAS, we, Paul Eaton, a citizen of U.S.A., and resident of 19827 Sunbridge Lane Houston Tx 77094, and Sumeet Kanwar, a citizen of India, and resident of 9801 Meadowglen, #71, Houston, Tx 77042 have invented certain new and useful improvements entitled SOLUTIONS AND METHODS FOR INHIBITING CORROSION, for which we executed an application for Letters Patent of the United States on the 17th day of August, 1995; and

WHEREAS, Champion Technologies, Inc., a corporation duly organized under the laws of the State of Texas, and doing business at Fresno, Texas, is desirous of acquiring the same;

NOW, THEREFORE, for and in consideration of the sum of ONE DOLLAR (\$1.00) to us in hand paid, our continuing employment, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over unto the said Champion Technologies, Inc., its successors, legal representatives, and assigns, the entire world-wide right, title and interest in and to said application and the invention disclosed therein, including divisionals, continuations, continuations-in-part, renewals, and substitutionals of said application, and in and to United States and foreign Letters Patent to be issued therefor, and any reissue and/or extension thereof, and including the right to file an application for Letters Patent and claim priority rights on said invention in all foreign countries, and we agree to execute all papers necessary to obtain said patents, the same to be held and enjoyed by Champion Technologies, Inc., its successors, assigns and legal representatives, as fully and entirely as the same would have been held and enjoyed by us had this Assignment and sale not been made, and we authorize and request the Commissioner of Patents, and any official of any country whose duty it is to issue patents, to issue the said Letters

Patent to the said Champion Technologies, Inc.; and we hereby agree that we will sign all lawful papers, execute all divisional, continuation, continuation-in-part, renewal, substitutional, and reissue applications, make all rightful declarations and oaths, and generally do everything possible to aid said corporation, its successors, legal representatives, assigns and nominees, to obtain and enforce patent protection for said invention in all countries.

AND WE HEREBY covenant that we have full right to convey my entire interest herein assigned, and that we have not executed, and will not execute, any agreements in conflict herewith.

EXECUTED at Houston, Texas, this 17th day of August, 1995.
