**NOTICE AND CONFIRMATION OF GRANT OF SECURITY INTEREST IN PATENTS –
THIRD LIEN NOTE**

This NOTICE AND CONFIRMATION OF GRANT OF SECURITY INTEREST IN PATENTS – THIRD LIEN NOTE, dated as of July 3, 2014 (this “Agreement”), between HIRERIGHT, INC. (“Grantor”) and WILMINGTON TRUST, N.A., as Collateral Agent (the “Collateral Agent”) for the Secured Parties.

Reference is made to the Senior Secured Third Lien Note Collateral Agreement, dated as of July 3, 2014 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”), among Altegrity, Inc., a Delaware corporation (“the Borrower”), the subsidiaries of the Borrower party thereto and the Collateral Agent. The lenders have extended credit to the Borrower subject to the terms and conditions set forth in the Indenture dated as of July 3, 2014 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Indenture”). Consistent with the requirements of the Indenture and pursuant to and in accordance with Section 3.01(c) and Section 3.02(b) of the Security Agreement, the parties hereto agree as follows:

SECTION 1. *Terms.* Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Section 1.01 of the Indenture also apply to this Agreement.

SECTION 2. *Grant of Security Interest.* As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor, pursuant to the Security Agreement, did assign, pledge and grant to the Collateral Agent, its successors and assigns, for the ratable benefit of the Secured Parties, a security interest in all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor and wherever located or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “Patent Collateral”):

(a) all letters patent of the United States or the equivalent thereof in any other country, all registrations and recordings thereof, and all applications for letters patent of the United States or the equivalent thereof in any other country, including registrations, recordings and pending applications in the United States Patent and Trademark Office (or any successor or any similar offices in any other country), including those listed on Schedule I and II;

(b) all reissues, continuations, divisions, continuations-in-part, renewals or extensions thereof, and the inventions disclosed or claimed therein, including the right to make, use and/or sell the inventions disclosed or claimed therein;

(c) the right to sue or otherwise recover for any past, present and future infringement or other violation thereof; and

(d) all Proceeds of the foregoing, including, without limitation, license fees, royalties, income, payments, claims, damages and proceeds of suit now or hereafter due and/or payable with respect thereto.

SECTION 3. *Security Agreement.* Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Patent Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. **Purpose.** This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest with the United States Patent and Trademark Office. This Agreement is expressly subject to the terms and conditions of the Security Agreement.

SECTION 5. **Counterpart.** This Agreement may be executed in counterparts and delivered by facsimile or otherwise electronically, each of which will be deemed an original, but all of which together constitute one and the same original.
