ASSIGNMENT

WHEREAS, I/we, Richard Jamieson, residing at 21 Eton Rd., Stratford-upon-Avon, Warwickshire, England CV37 7EJ, and Mark Palmer, residing at 51 Old Forge, West Haddon, Northampton, England NN6 7ET, have invented an invention embodied in a patent application titled: MEMBER MOUNTING BRACKET, identified by the Docket No. written above and by the following Serial No. and filing date: U.S. Provisional Application No. 61/940,629 filed February 17, 2014, and Application No. 14/457, 369 filed August 12, 2014

_____ ("the Application");

WHEREAS, LEAR CORPORATION, a corporation duly organized under the laws of Delaware, having its principal place of business at 21557 Telegraph Road, Southfield, Michigan 48034, desires to acquire the entire right, title, and interest in and to the invention and any patent that may issue from the Application or for the invention anywhere in the world;

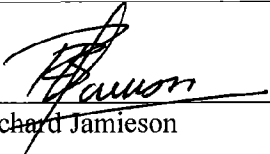

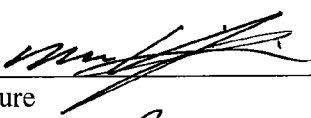

THEREFORE, for value received, I now assign and transfer to LEAR CORPORATION, or its successors or assigns, the entire right, title, and interest in and to the invention, including the Application, any application from which the Application claims priority, and any non-provisional, continuation, divisional, or continuation-in-part application derived from the Application, in the United States and all foreign countries, including the right of priority under any international convention, including the International Convention of 1883 and its later modifications, and the Patent Cooperation Treaty as amended, and including the entire right, title, and interest to any Letters Patent that may issue from the Application or for the invention in any country of the world; and I request the granting authority of any country to issue to LEAR CORPORATION any

patent that may issue from the Application or for the invention, in accordance with the terms of this assignment.

I hereby represent that I have the full right to convey my entire right, title, and interest herein assigned and that I have not executed any agreement in conflict with this assignment. I covenant that I will not execute any agreement in conflict with this assignment.

I agree to execute any and all further documents requested by LEAR CORPORATION, its successors or assigns, for the prosecution of the Application or of any divisional, continuation, continuation-in-part, reissue, or reexamination of the Application; or for securing foreign patents covering the invention; or to more fully vest in itself the entire right, title, and interest to the invention or to any further applications or patents that may be filed or secured on the invention. I agree to reasonably assist in all legal proceedings relating to the invention.

I hereby authorize and request legal representatives of LEAR CORPORATION to insert above the filing information when it becomes known.
