*Assignor hereby authorizes Assignee to insert the patent application (or serial number) and filing date when known if it is not known at the time of execution of this Assignment.

James Chow, M.D., located at 5228 N. 70th Place, Paradise Valley, Arizona 85253 (the "Assignee"), desires to secure all rights, title and interest in said inventions held by Assignor.

In consideration of five thousand U.S. dollars (\$5,000 USD) paid to Assignor by the Assignee on or before May 23, 2014, the receipt and sufficiency of which are hereby acknowledged,

EFFECTIVE MAY 23, 2014, ASSIGNOR HEREBY ASSIGNS TO THE ASSIGNEE:

all right, title and interest held by Assignor in said inventions, the documents and intellectual property created or produced in association with design history file number 1168 (including the designed concepts, design history file, CAD models, and product development documentation for said inventions), and in the above-identified United States patent applications and in all provisionals, non-provisional, divisions, continuations and continuations-in-part of said application, or reissues or extensions of letters patent or patents granted thereon, in all corresponding applications filed under the Patent Cooperation Treaty ("PCT"),

and in all corresponding applications filed in any countries, territories, or jurisdictions worldwide, and in all patents issuing thereon in the United States and in any countries, territories, and jurisdictions worldwide; and

the right to file PCT or foreign patent applications on said inventions in his own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

Assignor hereby authorizes and requests the United States Commissioner of Patents and Trademarks, and such Patent Office officials in all countries, territories, and jurisdictions worldwide as are duly authorized by their patent laws to issue patents, to issue any and all patents on said inventions to the Assignee, together, as the owner of all rights, title, and interests in and to said inventions, for the sole use and benefit of Assignee, his successors, assigns and legal representatives.

Assignor hereby authorizes and requests such Patent Office officials affiliated with the International Bureau of WIPO and duly authorized under the PCT to prosecute any PCT application on said inventions for the benefit of the Assignee as the owner of all rights, title, and interests in and to said inventions, for the sole use and benefit of Assignee, his successors, assigns and legal representatives.

This assignment and agreement shall be binding upon Assignor, its affiliates and legal representatives.

DATED 18 August 2014.

Bryan S. McMillan, President

Declaration of Witness

I, Tarahtha Purderson, hereby declare that I was personally present and did see Bryan S. McMillan duly sign and execute the foregoing Assignment.
