## ASSIGNMENT

WHEREAS, I, **Kevin D. Howard** of Tempe, Arizona; a citizen of the United States of America, have invented a new and useful

### **Software Design Sharing Systems And Methods**

for which I am about to make or have made application(s) for Letters Patent of the United States; namely;

Application Serial No. 61/835,254 Filed June 14, 2013

WHEREAS, **Massively Parallel Technologies, Inc.**, a corporation duly organized under the laws of the State of Colorado and having its principal place of business at 1750 14th Street, Suite 102, Boulder, Colorado 80302, is desirous of acquiring an interest in, to and under said invention, said application(s), and any and all Letters Patent which may be granted for or upon said invention in the United States of America and all countries foreign thereto.

NOW THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt of which is hereby acknowledged, I, Kevin D. Howard, have sold, assigned and transferred, and by these presents do sell, assign and transfer, unto said Massively Parallel Technologies, Inc., the full and exclusive right, title and interest, throughout the world, in, to and under the following:

(a) said invention as fully set forth and described in the specification prepared, and executed by us preparatory to obtaining Letters Patent of the United States therefor;

(b) said application(s);

(c) any and all refilings, divisions, continuations and continuations-in-part of said application(s);

(d) any and all Letters Patent of the United States of America which may issue from said application(s), refilings, divisions, continuations and continuations-in-part;

(e) any and all reissues and reexaminations of said Letters Patent of the United States of America;

(f) any and all application(s) for Letters Patent upon said invention which may hereafter be filed in any and all countries foreign to the United States of America;

(f) any and all application(s) for Letters Patent upon said invention which may hereafter be filed in any and all countries foreign to the United States of America;

(g) any and all refilings, divisions and continuations of said foreign-filed application(s);

(h) all claims, causes of action and damages for past, present and future infringement or other unauthorized use, if any, of said application(s), said Letters Patent and said invention, with the right to sue for, and to collect damages and other relief for same;

(i) any and all Letters Patent of countries foreign to the United States of America which may issue from the said foreign-filed application(s), refilings, divisions and continuations; and

(j) any and all extensions of, and additions to, said Letters Patent of countries foreign to the United States of America.

I, Kevin D. Howard, further agree that upon request I will provide promptly all pertinent facts and documents relating to said invention and said Letters Patent and legal equivalents as may be known and accessible and will testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to Massively Parallel Technologies, Inc. or its legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said application(s), said invention and said Letters Patent and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof.

All of the above shall be held and enjoyed by said Massively Parallel Technologies, Inc. for its own use and benefit, and for its successors, legal representatives and assigns, to the full end of the term for which said Letters Patent may be granted, and I hereby authorize and request the Commissioner of Patents and Trademarks to issue the said Letters Patent in accordance with this Assignment.
