ASSIGNMENT	Docket No.: SOF-1313
<p>Whereas, Sandor LUKACS, Radu I. CIOCAS, Vlad I. TOPAN, Adrian V. COLESA, and Raul V. TOSA, referred to below as Inventors, have invented certain new and useful improvements in</p> <p style="text-align: center;">Enabling a Secure Environment Through Operating System Switching</p> <p>for which an application for a United States Patent was/will be</p> <p><input checked="" type="checkbox"/> filed on 11/18/2013, application number 14/082,478 docket number SOF-1313</p> <p>Whereas BITDEFENDER IPR Management Ltd. of Nicosia, Cyprus, hereinafter referred to as Assignee, whose post office address is Kreontos 12, PC 1076, Nicosia, Cyprus, is desirous of acquiring the entire right, title, and interest in the same;</p> <p>Now, therefore, for good and valuable consideration, receipt of which is hereby acknowledged, we, Inventors, by these presents do sell, assign, and transfer unto said Assignee the full and exclusive right to said invention(s) and the entire right, title and interest in and to any and all Patents which may be granted therefor in the United States and any foreign countries; any division, continuation, continuation-in-part, and provisional precursor of said application(s); any reissue, reexamination or extension of said Patents; and all rights of priority resulting from the filing of said application(s). Inventors hereby authorize and request the Commissioner of Patents and Trademarks and any officials of foreign countries whose duty is to issue patents to issue all Patents to Assignee for the full term for which said Patents may be granted, as fully and entirely as the same would have been held by us had this agreement and sale not been made.</p> <p>Inventors represent to Assignee that Inventors have not and shall not execute any writing or do any act conflicting with this Assignment. Inventors will, at any time upon request, without additional consideration but at the expense of Assignee, execute such additional writings and do such additional acts as may be reasonably necessary for Assignee to perfect its enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing all Patents or similar legal protection on the inventions in any and all countries.</p> <p>We further authorize and direct Assignee's attorneys to insert the serial number and filing date of any application now identified by attorney docket number and title set forth above as soon as the same shall have been made known to them by the United States Patent and Trademark Office.</p> <p>The conditions of this Assignment shall inure to the benefit of said Assignee, its successors, assigns, and/or other legal representatives, and shall be binding upon said Inventors, their heirs, assigns, and legal representatives.</p> <p>Any dispute, claim or controversy between said Inventors, their heirs, assigns, and legal representatives and said Assignee, its successors, assigns, and/or other legal representatives, arising out of or relating to this Assignment, its enforceability, execution or performance, shall be governed exclusively by the laws of the State of California, USA, without regard to its choice of law provisions and shall be finally settled by binding arbitration administered by the International Centre for Dispute Resolution in accordance with the provisions of its International Arbitration Rules of the American Arbitration Association. The place of arbitration shall be San Francisco, CA, U.S.A. Notwithstanding the provisions of this paragraph, the parties shall be entitled to seek injunctive or expedited relief in a court of competent jurisdiction.</p> <p>Inventors have executed this Assignment on the respective dates marked below:</p>
