Patent Application Assignment

This **Patent Application Assignment** (hereinafter referred to as the "Assignment") is made and entered into on August 4, 2014 (the "Effective Date") by and between the following parties:

Daniel Tafe
512 Lisbeth Road
Newark, Delaware 19713

(the "Assignor")

AND

Resource Int'l, Inc.
a Delaware corporation
18 Boulden Road
Suite 14
New Castle, Delaware 19720

(the "Assignee")

WHEREAS, the Assignor is the sole inventor of the ideas and inventions for which the patent application set forth in **Exhibit A** (referred to as the "Patent Application") has been filed; and

WHEREAS, the Assignor is under an obligation to assign his right, title, and interest in these ideas, inventions, and the Patent Application to Assignee; and

WHEREAS, the Assignor and Assignee are both duly authorized and capable of entering into this Assignment.

NOW, THEREFORE, for valuable consideration, the receipt of which is acknowledged, the parties hereto agree as follows:

1. ASSIGNMENT.

The Assignor does hereby sell, assign, transfer and set over to Assignee 100% of his right, title, and interest in the Patent Application to Assignee for the entire term of the application's pendency before the United States Patent and Trademark Office and for the entire terms of any patents, reissues or extensions that may issue from the application or any other application, divisions, continuations in whole or part or substitute application filed claiming the benefit of the Patent Application. The right, title, and interest conveyed in this Assignment is to be held and enjoyed by Assignee and Assignee's successors as fully and exclusively as it would have been held and enjoyed by Assignor had this assignment not been made.

The Assignor authorizes the United States Patent and Trademark Office and any other applicable jurisdictions outside the United States to record the transfer of the patent and/or Patent Application set forth in Exhibit A to Assignee as recipient of Assignor's right, title and interest therein.

Assignor further agrees to: (a) cooperate with Assignee in the protection of the patent rights and prosecution and protection of foreign counterparts; (b) execute, verify, acknowledge and deliver all such further papers, including Patent Application and instruments of transfer; and (c) perform such other acts as Assignee lawfully may request to successfully prosecute any and all application and registrations for the invention in any and all countries.

2. WARRANTY.

Assignor warrants that Assignor is the legal owner of all right, title and interest in the Patent Application, that the Patent Application has not been previously pledged, assigned, or encumbered and that this Assignment does not infringe on the rights of any person.

3. GOVERNING LAW.

This Assignment is governed by and is to be construed in accordance with the laws of the State of Delaware.

4. ENTIRE AGREEMENT.

This Assignment constitutes the sole agreement of the parties and supersedes all oral negotiations and prior writings with respect to the subject matter hereof.

5. SEVERABILITY.

If one or more provisions of this Assignment are held to be unenforceable under applicable law, the parties agree to renegotiate such provision in good faith. If the parties cannot reach a mutually agreeable and enforceable replacement for such provision, then (i) such provision will be excluded from this Assignment, (ii) the balance of the Assignment will be interpreted as if such provision were so excluded and (iii) the balance of the Assignment will be enforceable in accordance with its terms.

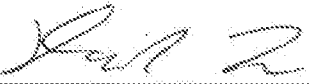

6. ADVICE OF COUNSEL.

EACH PARTY ACKNOWLEDGES THAT, IN EXECUTING THIS AGREEMENT, SUCH PARTY HAS HAD THE OPPORTUNITY TO SEEK THE ADVICE OF INDEPENDENT LEGAL COUNSEL, AND HAS READ AND UNDERSTOOD ALL OF THE TERMS AND PROVISIONS OF THIS AGREEMENT. THIS AGREEMENT WILL NOT BE CONSTRUED AGAINST ANY PARTY BY REASON OF THE PARTY'S RESPONSIBILITY FOR THE DRAFTING OR PREPARATION HEREOF.

IN WITNESS WHEREOF, the Assignor and Assignee have executed this Agreement as of the Effective Date.

Assignor:

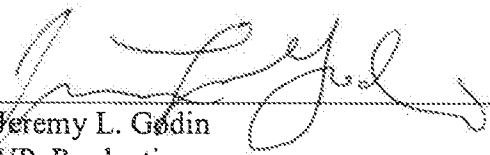

DANIEL TAFE

By: 
Daniel Tafe

Date: 8/18/2014

Assignee:

RESOURCE INT'L, INC.

By: 
Jeremy L. Godin
VP, Production

Date: 8/18/2014
