ASSIGNMENT AND AGREEMENT

FOR VALUE RECEIVED, Eaton Corporation (hereafter "The Corporation"), a corporation duly organized and existing under the laws of the State of Ohio and having its principal place of business at 1000 Eaton Boulevard, Cleveland, Ohio 44122, hereby sells, assigns and transfers to Eaton Corporation, a corporation duly organized and existing under the laws of the State of Ohio and having its principal place of business at 1000 Eaton Boulevard, Cleveland, Ohio 44122 and The Goodyear Tire & Rubber Company, a corporation duly organized and existing under the laws of the State of Ohio and having its principal place of business at 200 Innovation Way, Akron, Ohio 44316, as assignees, and their successors, assigns and legal representatives, the entire right, title and interest, for the United States of America and all countries foreign thereto, in and to certain inventions which are described in the following U.S. patent applications:

SELF-INFLATING TIRE AIR REGULATOR, Serial Number 29/480,495, filed January 27, 2014;
SELF-INFLATING TIRE AIR REGULATOR, Serial Number 61/931,916, filed January 27, 2014;
SELF-INFLATING TIRE, Serial Number 61/978,422, filed April 11, 2014;
AIR REGULATOR, Serial Number 62/011,778, filed June 13, 2014; and
SELF-INFLATING TIRE AIR REGULATOR, Serial Number 29/497,564, filed July 25, 2014;

and in and to the invention(s) and improvement(s) set forth in any and all utility applications, continuations, continuations-in-part (CIPs), divisionals, and renewals of said application for said Letters Patent, and in and to any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefor; and in and to any reissues, reexaminations, or extensions of said Letters Patent.

The Corporation requests that any and all United States and foreign patents for the inventions be issued to the assignees, their successors, assigns and legal representatives, or to such nominees as they may designate.

The Corporation agrees that, when requested, it will sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for the inventions in any and all countries, and for vesting title thereto in the assignees, their successors, assigns and legal representatives or nominees.

The Corporation authorizes and empowers the assignees, their successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for the inventions filed by them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from it.

The Corporation hereby consents that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the assignees or nominees to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

The Corporation covenants with the assignees, their successors, assigns and legal representatives, that the rights and property hereby conveyed are free and clear of any incumbrance, and that it has full right to convey the same as herein expressed.
