PATENT ASSIGNMENT STATEMENT

This Statement, dated July 29th, 2014, is being signed and submitted as a supporting document to effectuate the assignment of a certain patent with the United States Patent and Trademark Office ("USPTO") between Blue Rhino Global Sourcing, Inc., a Delaware corporation with a principal place of business located at 470 West Hanes Mill Road, Suite 200, Winston-Salem, North Carolina 27105 ("Assignor") and Versafitness LLC, Delaware limited liability company, having a place of business at 324 South Service Road, Melville, New York 11747 ("Assignee").

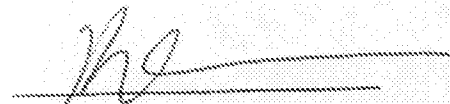

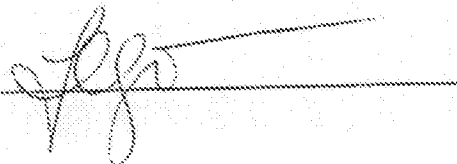

WHEREAS, the agreements between the parties contain certain confidential information which Assignor and Assignee wish to keep as confidential and they do not wish to make the terms of the agreement a matter of public record; and

WHEREAS, in lieu of filing a copy of or an extract from the agreements, Assignor and Assignee wish to file this Statement acknowledging and explaining how title to the patent passed to Assignor.

1. Pursuant to an Asset Purchase Agreement dated March 22, 2013 (the "Agreement"), Mr. Bar-B-Q, Inc., the then current owner of the Patent Number D631,106 (the "Design Patent"), sold and assigned substantially all of its assets, including the right, title and interest to most of its intangible property;
2. Specifically excluded from the Agreement was the assignment of the Design Patent;
3. During the post-closing assignment process, on or about July 9, 2013, the Design Patent was, along with the trademark and patent portfolio, inadvertently assigned to Ferrellgas Real Estate, Inc., the purchaser of the assets pursuant to the Agreement;
4. On or about January 6, 2014, the Design Patent was, along with all of the intellectual property acquired in the transaction relating to the Agreement, further assigned to Blue Rhino Global Sourcing, Inc., a subsidiary of Ferrellgas Real Estate, Inc.;
5. The parties wish to correct the inadvertent assignment of the Design Patent;
6. This Statement is being submitted with the USPTO as a supporting document so that the patent assignment may be properly filed with the USPTO and in lieu of submission of the entire Agreement.
