For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I/we, the undersigned,
Brad Griffith
Richard Lowenberg
Jairo Avalos
Brendan Winter

hereby sell, assign, and transfer to Gametime
having a principal place of business at 431 Jesse St., San Francisco, CA, 94109, USA, ("Assignee"), and its successors, assigns, and
legal representatives, the entire right, title, and interest for the United States and all foreign countries, in and to any and all inventions
or improvements that are disclosed in the application (provisional or non-provisional) for the United States patent which may have a
declaration executed by the undersigned prior hereto or concurrently herewith and is entitled

Dynamic List View Inventory In Commerce Apps
said patent application also identified as follows (when known):
14/456,775 filed on: Monday, August 11, 2014,

and to each and all of the following applications which claim priority to the above-identified application and to which I, the
undersigned, contributed material disclosed and/or claimed:

[I/we hereby authorize an attorney or agent for said Assignee to insert below the application number and filing date of said
patent application claiming priority, when known.]

and in and to said application (provisional or non-provisional) and all provisional applications, non-provisional applications, utility
applications, design applications, divisional applications, continuation applications, continued prosecution applications, continuation-
in-part applications, substitute applications, renewal applications, reissue applications, reexaminations, extensions, and all other patent
applications that have been or shall be filed in the United States and all foreign countries on any of said inventions or improvements;
and in and to all original patents, reissued patents, reexamination certificates, and extensions, that have been or shall be issued in the
United States and all foreign countries on said inventions or improvements; and in and to all rights of priority resulting from the filing
of said applications;

agree that said Assignee may apply for and receive a patent or patents for said inventions or improvements in its own name;
and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns, and legal representatives, to
carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all provisional applications, non-
provisional applications, utility applications, design applications, divisional applications, continuation applications, continued
prosecution applications, continuation-in-part applications, substitute applications, renewal applications, reissue applications,
reexaminations, extensions, and all other patent applications on any and all said inventions or improvements;

execute all rightful oaths, assignments, powers of attorney, and other papers; communicate to said Assignee, its successors,
assigns, and representatives all facts known to the undersigned relating to said inventions or improvements and the history thereof; and
generally assist said Assignee, its successors, assigns, or representatives in securing and maintaining proper patent protection for said
inventions or improvements and for vesting title to said inventions or improvements, and all applications for patents and all patents on
said inventions or improvements, in said Assignee, its successors, assigns, and legal representatives; and

covenant with said Assignee, its successors, assigns, and legal representatives that no assignment, grant, mortgage, license, or
