ASSIGNMENT

This ASSIGNMENT dated August 29, 2014 by Kevin T. Schomacker, residing at 6 George Road, Maynard, MA 01754; Xiaoming Shang, residing at 3 Captain Parker Arms, #12, Lexington, MA 02421; Herbert R., Otterson, residing at 33 Norfolk Street, Needham, MA 02492; and Antonio Paulino, residing at 123 Arsenal Street, Watertown, MA 02472, respectively (hereinafter referred to as the "Assignor"), have invented certain new and useful improvements described in the application for Letters Patent of the United States entitled:

DEVICES FOR THE TREATMENT OF BIOLOGICAL TISSUE

which application is:

- (1) a provisional application
- (a) having Serial No. _____, filed on _____;
- (b) to be filed with this Assignment; or
- (2) a non-provisional application
- (a) having Application No. 14/194,836, filed on 03-03-2014;
- (b) having an oath or declaration executed on the same date as the execution date of this Assignment and those execution dates are prior to the filing of the U.S. patent application for this invention.

For good and sufficient consideration, the receipt of which is hereby acknowledged, each Assignor agrees to assign, and hereby does assign, transfer and set over to CANDELA CORPORATION, a corporation having a place of business at 530 Boston Post Road, Wayland, Massachusetts, 01778 (hereinafter referred to as the Assignee) his or her entire right, title and interest in the invention or inventions as represented by the application for patent identified herein (the "Application") in the United States, its territories, dependencies and possessions, and for all other national jurisdictions and international entities that have the power to grant patents, wherever situated, including without limitation all applications for patent which claim priority to and/or the benefit of the subject matter disclosed in the Application for patent identified herein, including any utility application and/or design application, as well as any continuation application, divisional application, continuation-in-part application, reissue application, reexamination application, patent interference proceeding, and any foreign national application and/or any application filed or to be filed under a patent treaty such as the International Convention for Protection of Industrial Property and/or the Patent Cooperation Treaty, and any Letters Patent which may be granted therefor in any jurisdiction.

Each Assignor agrees to execute all papers and documents and perform any act which maybe necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar agreements.

Each Assignor agrees to perform all affirmative acts which may be necessary to obtain a grant of a valid
