ASSIGNMENT

In consideration of One Dollar (\$1.00) and other good and valuable consideration of which we acknowledge receipt, we **Alain Bouchet**, and **Bruno Farcy** do hereby transfer, sell and assign to **BULL SAS**, a corporation organized and existing under the laws of France, having its headquarters at Rue Jean Jaurès, BP 68, 78340 Les Clayes-sous-Bois, FRANCE, its successors and assigns, the entire right, title and interest in and to the invention and corresponding United States application for patent entitled: **"Methods for Monitoring Quantities of Computer Devices, Associated Computer Program and Device"**, the invention having been invented by us and described in said application for United States Patent, identified above Application No. 14/359,570 filed May 20, 2014, and any and all applications for patent and patents therefor in the United States, including all divisions, reissues, continuations and extensions thereof, and all rights of priority existing or resulting from the filing of any and all patent applications directed to such improvements; and we authorize and request any official whose duty it is to issue patents, to issue any patent on said improvements, or resulting therefrom, to said **BULL SAS** or its successors or assigns; and we agree that on request and without further consideration, but at the expense of said corporation, we will communicate to said corporation or its representative or nominees any facts known to me respecting said improvements and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid said corporation, its successors, assigns and nominees to obtain and enforce proper patent protection for said improvements in the United States.

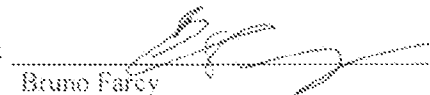

Assignors hereby grant the firm of MILES & STOCKBRIDGE P.C. the power to insert on, or append to, this Assignment any further identification, including the application number and filing date, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
