ASSIGNMENT

WHEREAS, I, Mark H. Jaeger of Mapleton, MN, a citizen of the United States, have made certain new and useful inventions and improvements, disclosed and claimed in the patent applications entitled FEED BIN MONITORING SYSTEM AND METHOD filed on December 28, 2011, as PCT International Application Number PCT/US2011/067524 and on December 28, 2011, as United States Application Number 13/338,610 (the "Patent Applications");

AND WHEREAS, Herdstar, LLC, a limited liability company organized and existing under and by virtue of the laws of Minnesota, and having an office and place of business at 1400 Madison Avenue, Suite 504, Mankato, MN 56001 (hereinafter "Assignee") is desirous of acquiring the entire right, title and interest in and to said inventions, improvements and Patent Applications and in and to any Letters Patent to be obtained therefor;

NOW THEREFORE, to all whom it may concern, be it known that for good and valuable considerations, the receipt and sufficiency whereof is hereby acknowledged, I have sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest for all countries in and to said inventions, improvements and Patent Applications, and in and to any applications subsequently filed claiming priority to said Patent Applications and all divisions, continuations, continuations-in-part or renewals thereof, all Letters Patent which may be granted therefrom, and all reissues, re-examinations or extensions of such Letters Patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on the inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be granted therefrom; and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the aforesaid inventions and improvements to the Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the Assignee, its successors and assigns.

AND, for the consideration aforesaid, I do hereby agree that I and my executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to me relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors or assigns, the entire right, title and interest in and to said inventions, improvements, applications, the Patent Applications, the United States Provisional, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore I covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by me and that full right to convey the same as herein expressed is possessed by me.

U.S. Application No. 13/338,610
