A S S I G N M E N T

WHEREAS, I, MARVIN L. STONE, a citizen of the United States of America, residing in Stillwater, Oklahoma (hereinafter referred to as "ASSIGNOR"), am a co-inventor of and own an undivided interest in a certain invention entitled "FAILURE TOLERANT TIRE INFLATION SYSTEM" for which a provisional application for Letters Patent of the United States of America has been filed on July 15, 2014, under Application No. 62/024,921; and

WHEREAS, AIRGO IP, LLC, a limited liability company organized and existing under and by virtue of the laws of Oklahoma and having its principal place of business at P.O. Box 8338, Edmond, Oklahoma 73083 (hereinafter referred to as "ASSIGNEE"), is desirous of acquiring Assignor's right, title and interest in, to and under said invention and in, to and under any Letters Patent or similar legal protection to be obtained therefor in the United States of America, its territorial possessions and in any and all countries foreign thereto.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, ASSIGNOR hereby sells, assigns, transfers and sets over unto the said ASSIGNEE, its successors and assigns, Assignor's right, title and interest to said invention, any and all patent applications filed therefor and to all Letters Patent or similar legal protection, not only in the United States and its territorial possessions, but in all countries foreign thereto to be obtained for said invention or any continuation, division, renewal, substitute or reissue thereof or any legal equivalent thereof in the United States or a foreign country for the full term or terms for which the same may be granted, including all of Assignor's priority rights under the International Convention; and ASSIGNOR hereby authorizes and requests the Commissioner for Patents to issue said Letters Patent or any legal equivalent thereof to said ASSIGNEE, its successors and assigns, in accordance with this Assignment.

ASSIGNOR hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this Assignment.

ASSIGNOR further covenants that ASSIGNEE will, upon its request, be provided promptly with all pertinent facts and documents relating to said application, said invention and said Letters Patent and legal equivalents as may be known and accessible to ASSIGNOR and will testify as to the same in any interference or litigation related thereto and will promptly execute and deliver to ASSIGNEE or its legal representative any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said application, said invention and said Letters Patent and said legal equivalents thereof in the United States or in any foreign country which may be necessary or desirable to carry out the purposes thereof.

EXECUTED at Stillwater, Oklahoma, U.S.A., this 19th day of July, 2014.
