ASSIGNMENT

WHEREAS Brigham Thomas Taylor ("Assignor"), having an address at 2059 Lamago Way, El Dorado Hills, California 95762, is the owner of the entire right, title, and interest to the patents and patent applications (collectively referred to as the "Patents") described in Exhibit A attached hereto, and the inventions described therein (the "Inventions");

AND WHEREAS Gird Up Your Loins, LLC ("Assignee"), a California limited liability company with offices at 2230 Valley View Pkwy, APT 427, El Dorado Hills, California, 95762 is desirous of acquiring the entire right, title, and interest in and to the Inventions in the United States and foreign countries;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and intending to be legally bound hereby, Assignor hereby assigns and transfers to Assignee the entire right, title, and interest in and to the Inventions in the United States and foreign countries and the Patents, including but not limited to all reissues, divisions, continuations and extensions of the Patents, all rights of action arising from the Patents, all claims for damages by reason of past infringement of the Patents and the right to sue and collect damages for such infringement, to be held and enjoyed by the Assignee for its own use and benefit and for its successors and assigns as the same would have been held by Assignor had this assignment not been made.

ASSIGNOR therefore authorizes and requests the Patent Office officials in the United States and in any and all foreign countries to issue any and all Letters Patents when granted, solely to the said ASSIGNEE for its sole use, and that of its successors, and assigns.

ASSIGNOR hereby represents and warrants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment.

ASSIGNOR covenants that ASSIGNEE will, upon its request, be provided promptly with all pertinent facts and documents relating to said invention and said Letters Patent and legal equivalents as may be known and accessible to ASSIGNOR and will testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to ASSIGNEE or its legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said application, said invention and said Letters Patent and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof.

Dated: August 30, 2014
