ASSIGNMENT

WHEREAS, I, Willet F. Whitmore, III, have invented one or more improvements in
Ureteral Stent

described in an application (or provisional application) for Letters Patent of the United States:

☐ identified by Attorney Docket No. BSC-193, and/or executed by me of even date
herewith and about to be filed in the United States Patent Office;

☒ Serial No. 09/850,459 filed in the United States Patent Office on May 7, 2001; and

WHEREAS, SciMed Life Systems, Inc. (hereinafter "ASSIGNEE"), a corporation organized and
existing under the laws of the State of Minnesota, and having a usual place of business at One SciMed
Place, Maple Grove, MN 55311-1566 desires to acquire an interest therein, in accordance with
agreements duly entered into with me;

NOW, THEREFORE, to all whom it may concern be it known that for and in consideration of
said agreements and of other good and valuable consideration, the receipt of which is hereby
acknowledged, I have sold, assigned and transferred and by these presents do hereby sell, assign and
transfer unto said ASSIGNEE, its successors, assigns, and legal representatives, my entire right, title and
interest in and throughout the United States of America, its territories and all foreign countries, in and to
the inventions described in said application, together with my entire right, title and interest in and to said
application and such Letters Patent as may issue thereon or claim priority under international convention,
including but not limited to continuations, divisionals, reissues, and reexaminations of said application or
such Letters Patent; said inventions, applications and Letters Patent to be held and enjoyed by said
ASSIGNEE for its own use and behalf and for its successors, assigns and legal representatives, to the full
end of the term for which said Letters Patent may be granted as fully and entirely as the same would have
been held by me had this assignment and sale not been made; I hereby convey all of my rights arising
under or pursuant to any and all international agreements, treaties or laws relating to the protection of
industrial property by filing any such applications for Letters Patent. I hereby acknowledge that this
assignment, being of my entire right, title and interest in and to said invention, carries with it the right in
ASSIGNEE to apply for and obtain from competent authorities in all countries of the world any and all
Letters Patent by attorneys and agents of ASSIGNEE's selection and the right to procure the grant of all
Letters Patent to ASSIGNEE for its own name as assignee of my entire right, title and interest therein.

AND, I hereby further agree for myself and my executors and administrators to execute upon
request any other lawful documents and likewise to perform any other lawful acts which may be deemed
necessary to secure fully the aforesaid invention to said ASSIGNEE, its successors, assigns, and legal
representatives, but at its or their expense and charges, including: the execution of applications for
patents in foreign countries; the execution of substitution, reissue, divisional or continuation
applications; and preliminary or other statements or the giving of testimony in any interference or other
proceeding in which said invention or any application or patent directed thereto may be involved; and I
further hereby authorize ASSIGNEE or its attorneys or agents to insert the correct serial number and
filing date into this assignment if none is indicated on that date of my execution of this assignment;

AND, I do hereby authorize and request the Commissioner of Patents of the United States to issue such Letters Patent as shall be granted upon said application or applications based thereon to said ASSIGNEE, its successors, assigns, and legal representatives.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed my seal the date set forth below.
