ASSIGNMENT OF PATENT APPLICATION

We, the undersigned each have agreed and hereby agree to assign to MEDIDATA SOLUTIONS, INC., a Delaware Corporation having its principal place of business in New York, NY (hereinafter "Medidata"), in furtherance of our obligations to Medidata and its subsidiaries and affiliates, and do hereby assign and transfer to Medidata, its successors, and assigns, the entire right, title, and interest, including the right of priority, in, to and under an application for Letters Patent of the United States, entitled:

SYSTEM AND METHOD FOR MULTI-TIERED, RULE-BASED DATA SHARING AND ONTOLOGY MAPPING

9/5/2014

14/478,860

Filing Date: _____ Application No.: _____

and the invention(s) and improvement(s) set forth therein, and any and all continuations, continuations-in-part (C-I-Ps), divisions, and renewals of and substitutes for said application for said Letters Patent, and any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefore; and any reissues, or reexaminations, or extensions of said Letters Patent.

We additionally authorize Medidata to file applications in our name for Letters Patent in any country, to be held and enjoyed by Medidata, its successors, assigns, nominees, or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by us had this assignment and transfer not been made;

AND we hereby covenant that we have full right to convey the entire interest herein assigned, and that we have not executed and will not execute any agreement in conflict herewith, and we further covenant and agree that we will, each time a request is made, and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said invention(s) or improvement(s), said application and said Letters Patent, to Medidata, its successors, assigns, nominees, or legal representatives, and we agree to communicate to Medidata, or to its nominee, all known facts respecting said invention(s) or improvement(s), said application and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisions, continuations, C-I-Ps, reissue, and foreign applications, to make all rightful oaths and declarations, and generally to do everything possible to aid Medidata, its successors, assigns, nominees, and legal representatives to obtain and enforce, for its or their own benefit, proper patent protection for said invention(s) or improvement(s) in any and all countries provided the expenses which may be incurred by us in lending such cooperation and assistance are paid by Medidata;

AND we hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue to Medidata, as assignee of the entire right, title and interest, any and all Letters Patent for said invention(s) or improvement(s), including any and all Letters Patent of the United States which may be issued and granted on or as a result of the application aforesaid, in accordance with the terms of this assignment.

We further authorize and direct the attorneys of record, if necessary, to insert the serial number and filing date of said application now identified by the attorney docket number and title set forth above as soon as the same shall have been made known to them by the United States Patent and Trademark Office.
