4. Simen Shoikhedbrod, an Israeli citizen residing at 3/13 Bnei Akiva Street, Ashqelon 7875704, Israel

hereinafter referred to as Assignors, have made an invention entitled

BRUSHLESS DC MOTOR

For which PCT Application No. PCT/IL2013/050253 was filed on March 19, 2013;

And another invention entitled

A DEVICE AND METHOD FOR USING A MAGNETIC CLUTCH IN BLDC MOTORS

For which a new PCT Application will be filed, claiming priority from PCT Application No. PCT/IL2013/050253;

WHEREAS, Vastech Holdings Ltd., a British company of 149 Albion Road, London N16 9JU, United Kingdom, hereinafter referred to as Assignee, is desirous of acquiring all rights, titles and interests in and to said inventions and the aforementioned patent applications and any patents that may be granted therefor.

NOW, THEREFORE, in consideration of One New Israeli Shekel (NS 1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, We, as Assignors, hereby sell, assign and set over to said Assignee the entire right, title and interest for Israel and all other countries of the world in and to said inventions and the aforesaid patent applications, and all original, divisional or other applications and patents applied for or granted therefor in Israel and in any other country, including an international patent application which will be filed under the PCT and all national/regional phase applications derived from said international application, including all US national derivatives, and all patents which may be granted thereon, and the undersigned for ourselves and our legal representatives, heirs and assigns do hereby agree and covenant without further remuneration, to execute and deliver all documents required for transferring said patents/applications to said Assignee or its assigns, to communicate to said Assignee or its representatives all facts known to the undersigned with respect to said patents/applications, whenever requested, to testify in any legal proceedings in which the said patents or patent applications may become involved, to sign all lawful papers, make all rightful oaths, and to do generally everything necessary to aid said Assignee, its successors, assigns and nominees to register the assignment of the said Patent(s) or Patent Application(s), the expenses incident to said application to be borne and paid by said assignee. This Deed of Assignment does not detract from any other assignment previously made in respect of the same matters, if any. We further confirm that said assignment has from at least, March 19, 2013, been of full force and effect in relation to Canada.
