ASSIGNMENT

WHEREAS, Securecom Technologies Limited, of Tralee, County Kerry, Ireland, ("Assignor") is the owner of an invention entitled "Portable Communications Device" that is the subject matter of: (check all that apply)

- ☐ an application for Letters Patent which claims the priority of _____ filed on _____
- ☒ an application made under the Patent Cooperation Treaty which is identifiable at WIPO by Application No. PCT/IE2004/000077, European Patent Office Application No. EP20040734883, filed on May 26, 2004 with a priority date of May 26, 2003, which was granted Patent No. EP1629449 B1 by the European Patent Office on September 3, 2008
- ☒ a Patent which is identifiable in the Patent Office of the United States by Patent No. 7,907,931, issued on March 15, 2011, which was patent application No. 10/558,295, filed on May 26, 2004;

WHEREAS, TLCD, LLC, a corporation organized and existing under the laws of the state of California, United States ("Assignee"), and having offices at 16885 Via Del Campo Court, Suite 300, San Diego, California 92127 United States is desirous of acquiring the entire right, title and interest in and to the invention, the applications, and any and all Letters Patent or similar foreign or domestic legal protection

- ☒ in the United States
- ☒ in all other countries or jurisdictions;

"NOW THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged,

- a) Securecom Technologies Limited agrees to transfer, and
- b) Securecom Technologies Limited does hereby transfer,

to Assignee, its successors and assigns, effective as of August 19, 2014 *nunc pro tunc*, Assignor's entire right, title and interest in the above named countries and jurisdictions in and to the following including the right to sue for past infringement: the invention, the above-identified applications, all applications from which any of the above-identified applications claim priority, corresponding U.S. and non-U.S. applications, any continuation, division, renewal, or substitute for the applications, all Patents, any reissue, re-examination, or similar legal protection issuing related to the Patents, and all rights and benefits under any applicable treaty or convention, and Assignor authorizes the Director of the United States Patent and Trademark Office or foreign equivalent to issue the Patents or similar legal protection to the Assignee."

Assignor authorizes the Assignee, its successors and assigns, to insert in this instrument the filing date(s) and application numbers when ascertained. Assignor further authorize the Assignee, its successors and assigns, or anyone it may properly designate, to apply for Patents or similar legal protection, in its own name if desired, in the above named countries and jurisdictions and appoint Assignee the common representative in the above identified international application and any international application for the invention.

Assignor represent to the Assignee, its successors and assigns, that Assignor shall not execute any writing or do any act whatsoever conflicting with this Assignment. Assignor, its executors or administrators, will at any time upon request, for a mutually agreed upon, additional consideration not exceeding \$100 per hour at the expense of the Assignee, its successors and assigns, execute and deliver to Assignee or its legal representatives such additional writings and do such additional acts as the Assignee, its successors and assigns, may deem desirable to perfect its enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the Patents or similar legal protection on the invention in any and all countries and jurisdictions, including without limitation providing testimony in any related interference, litigation or proceeding. To the extent that Assignor, its executors or administrators are unable or unavailable to execute and deliver to

Assignee or its legal representatives such additional writings and do such additional acts as Assignee, its successors and assigns may deem desirable to perfect its enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the Patents or similar legal protection on the invention in any and all countries and jurisdictions, Assignor, its executors or administrators, hereby authorize Assignee, its successors and assigns to act on Assignor's behalf.

If any provision(s) of this Assignment are held unenforceable or in conflict with the law of any jurisdiction, the validity of the remaining provisions will not be affected by such holding and the part held unenforceable in or in conflict with the law of one jurisdiction will remain in effect for other jurisdictions until held unenforceable or in conflict with the law of that jurisdiction.
