ASSIGNMENT

We, Eric J. Quilter of Park City, Utah, James Steven Buckmiller of Salt Lake City, Utah, and Scott M. Clark of Cape Elizabeth, Maine, hereinafter collectively referred to as "Assignor," are the inventors of a new invention entitled CAPTURING AND PROCESSING INSTANT DRUG TEST RESULTS USING A MOBILE DEVICE hereinafter called the "invention."

Preferred embodiments of said invention are disclosed in a PCT patent application executed concurrently herewith by us and now identified as File No. 19418.1A of the law firm of Workman Nydegger, 1000 Eagle Gate Tower, 60 East South Temple, Salt Lake City, Utah 84111, and filed in the United States Patent and Trademark Office as Serial No. PCT/US12/39181 on May 23, 2012. (We hereby authorized the attorneys associated with Customer No. 022913 to enter the filing date and serial number when known.)

The Assignee, Compliance Software, Inc., a corporation of the state of Utah, doing business as Compliance Information Systems, having a principal place of business at 1414 S. Main Street, Salt Lake City, Utah, 84115, desires to secure the entire right, title and interest in said invention and the patent application filed thereon.

In consideration of One Dollar (\$1.00) and other good and valuable consideration paid to Assignor by the Assignee, the receipt and sufficiency of which is hereby acknowledge, ASSIGNOR HEREBY ASSIGNS TO THE ASSIGNEE:

The entire right, title and interest in said invention and in the above-identified United States patent application and in all divisions, continuations and continuations-in-part of said application, or reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and foreign countries.

The right to file foreign patent applications on said invention in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

Assignor hereby authorizes and requests the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all patents on said invention to the Assignee as the owner of the entire interest, for the sole use and behoof of the said Assignee, its successors, assigns and legal representatives.

Assignor hereby agrees, without further consideration and without expense to Assignor, to sign all lawful papers and to perform all other lawful acts which the Assignee may request of Assignor to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, substitute, reissue, and other United States and foreign patent applications on said invention, and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of our ability in the execution of all lawful documents, the production of evidence, nullification, reissue, extension, or infringement proceedings involving said invention.

This assignment and agreement shall be binding upon Assignor's heirs and legal representatives.

DATED this 27 day of may 2012.

A handwritten signature in black ink, appearing to read 'Eric J. Quilter', written over a horizontal line.

ERIC J. QUILTER
