### ASSIGNMENT

WHEREAS, I, Moris SCHIAVONE of Silvi Marina, Italy, (hereinafter referred to as Assignor), invented a certain new and useful A CONTAINER FOR DRINKING DRINKS for which a patent application was or will be filed on June 13, 2014 having Application No. 14/365,117.

AND WHEREAS, CHALICE S.R.L., with a place of business at Viale Matrino, 27, I-65013 Citta' Sant'angelo, Italy, (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said application and the inventions therein disclosed and any letters patent that may issue thereon;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other valuable consideration, receipt of which is hereby acknowledged, Assignor agrees to assign and hereby does sell, assign and transfer to the Assignee, its successors and assigns, the entire right, title and interest in the invention for the United States of America and the Territories and Possessions thereof, including the right to claim priority, and in all applications for patent including any and all provisional, non-provisional, divisional, continuation, international, substitute and reissue application(s), and all Letters Patent, extensions, reissues and reexamination certificates that may be granted on the invention.

Assignor hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into that would conflict with this assignment and sale.

Assignor hereby authorizes the Assignee, its successors and assigns, to file in its own name applications for patent, and requests the Commissioner of the U.S. Patent and Trademark Office and other issuing authorities to issue any and all patents or other grants resulting from the application(s) to the Assignee.

Assignor further covenants that the Assignee will, upon request, be provided promptly with all pertinent facts and documents relating to said application, said invention and said Letters Patent as may be known and accessible to me and will testify as to the same in any proceeding related thereto and will promptly execute and deliver to Assignee(s), or the legal representative thereof, any and all papers, instruments or affidavits required to apply for, obtain, maintain and enforce said application, said invention and said Letters Patent which may be necessary or desirable to carry out the purposes hereof.

Assignor agrees that this assignment shall be construed in accordance with the law of the appropriate jurisdiction within the United States, and without regard to its conflicts of laws provisions.

If the application number and filing date are not set forth above, authorization is hereby given for any attorney of record in the subject patent application to insert above the application number and filing date information for this application when that information becomes available.

IN TESTIMONY WHEREOF, I hereunto set my hand and seal.
