RE: Transfer IP Assignments-Trademark Reg#3351717 ("Airhound") and US Patent #6,993,985 ("Method and Device for Fluid Sampling") back to individual Developer.

The undersigned, Toxair LLC ("Company"), in consideration of and as a condition of its dissolution as a Limited Liability Company to employ David E. Srebro (the "Developer"), does hereby agree with the Developer as follows:

For purposes of this agreement, "Intellectual Property Rights" means any and all (i) copyrights and other rights associated with works of authorship throughout the world, including neighboring rights, moral rights, and mask works, (ii) trade secrets and other confidential information, (iii) patents, patent disclosures and all rights in inventions (whether patentable or not), (iv) trademarks, trade names, Internet domain names, and registrations and applications for the registration thereof together with all of the goodwill associated therewith, (v) all other intellectual and industrial property rights of every kind and nature throughout the world and however designated, whether arising by operation of law, contract, license, or otherwise, and (vi) all registrations, applications, renewals, extensions, continuations, divisions, or reissues thereof now or hereafter in effect.

Company agrees to assign and transfer back and hereby does assign and transfer back to the Developer, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, all right, title, and interest, including any and all Intellectual Property Rights pertaining thereto, in any and all works created, made, conceived, invented, developed, discovered or reduced to practice by Developer in the performance of his/her/its duties on behalf of the Company or that relate to the business of the Company or any of the products or services being developed, manufactured, marketed, sold or otherwise provided by the Company or which may be used in relation therewith, or that result from tasks assigned to Developer by the Company or results from the use of premises, equipment, supplies, facilities or confidential information owned, leased or contracted for by the Company, as well as all drafts, notes, concepts, ideas, suggestions and approaches, modifications, improvements and derivative works related thereto or contained therein, and each element and part thereof (collectively, the "Developments"), and in and to all works based upon, derived from, or incorporating such Developments, and in and to all income, royalties, damages, claims and payments now or hereafter due or payable with respect thereto, and in and to all causes of action, either in law or in equity for past, present, or future infringement.

The assignment of these intellectual property rights assets transferred from the Company to Developer will be made by the payment of a sum of \$0.01USD from Developer to Company and is payable at the execution of this agreement.

IN WITNESS WHEREOF, the undersigned has executed this Agreement as of the 31 day of DEC, 2013.
