ASSIGNMENT

WHEREAS, **bezoo Holding GmbH** a limited liability company duly organized and existing under the laws of Germany and having a principal place of business at Einsteinstrasse 33, 71229 Leonberg, Germany, is the owner of the entire right, title and interest in and to the U.S. patent and U.S. patent application listed on the attached Schedule A (hereinafter collectively referred to as "Subject Patent Rights"); and

WHEREAS, **walou AG**, a stock corporation duly organized and existing under the laws of Germany and having a principal place of business at c/o Heuking Kühn Lüer Wojtek, Unter den Linden 10, 10117 Berlin, Germany, is desirous of acquiring **bezoo Holding GmbH's** entire right, title and interest in and to said Subject Patent Rights;

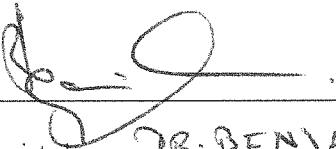

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, **bezoo Holding GmbH** by these presents does hereby sell, assign, transfer and convey unto the said **walou AG**, its successors, assigns and legal representatives, its entire right, title and interest in and to said Subject Patent Rights, and in and to any and all continuations, continuations-in-part, divisions or reissues thereof, for the full extent of the term for which any issued patents have been or future patents may be granted, together with all rights of action against past infringement thereof, the same to be held and enjoyed by said **walou AG**, its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by said **bezoo Holding GmbH** if this Assignment and sale had not been made.

bezoo Holding GmbH undertakes to execute or procure the execution of any and all future Assignments, or other instruments which may be necessary to perfect and evidence **walou AG's** ownership of the property and rights herein assigned.
