PATENT
REEL: 033739 FRAME: 0720

THIS ASSIGNMENT (this "Assignment") is dated _____ 31st _____ December 2013.

Parties

- (1) **RESPICOPEA LIMITED** incorporated and registered in the Republic of Ireland with company number 489366 whose registered office is at 70 Sir John Rogerson's Quay, Dublin 2, The Republic of Ireland (the "Assignor"); and
- (2) **INFIRST HEALTHCARE LIMITED** a company incorporated under the laws of England and Wales with company number: 08077285 and whose registered office is at 100 Fetter Lane, London, EC4A 1BN, UK (the "Assignee").

1. INTERPRETATION

1.1 In this Assignment, the following words have the following meanings:

"Improvements"	any improvement, enhancement or modification to any products falling within the scope of any of the claims of the Patents and which relates to the use of theobromine to treat cough;
"Patents"	all intellectual property rights under the patents and/or applications described in the Schedule hereto together with all continuations, continuations in part and divisionals of such applications and all re-issues, re-examinations and extensions of such patent(s).

2. ASSIGNMENT

2.1 For good and valuable consideration [REDACTED] the Assignor hereby ASSIGNS to the Assignee, full title to:

- 2.1.1 the Patents;
- 2.1.2 the Improvements; and
- 2.1.3 all of Assignor's right, title and interest in and to all intellectual property rights and know-how which it holds now or in the future including without limitation such rights relating to the use of theobromine to treat cough;

and the Assignor hereby TRANSFERS to the Assignee all of its other assets in relation to the use of theobromine to treat cough (except for plant and machinery and employment agreements) including without limitation, confidential information (e.g. data and manufacturing formulae), the benefit of agreements with third parties and regulatory applications and submissions which have been made in the Assignor's name (whether complete or incomplete).

3. THIRD PARTY LIABILITIES

The Assignee shall (as primary obligor) pay, settle and/or discharge any payments, costs, expenses, obligations and liabilities of any description due from time to time after the date

hereof (referred to collectively as the "**Liabilities**") to third parties in respect of the Patents, Improvements and intellectual property rights assigned, and other assets transferred, under clause 2.1 above provided that the Assignor delivers valid documentary evidence of the Liability (e.g. in the form of an invoice), and to the extent that such Liabilities are not paid, settled and/or discharged by the Assignee, the Assignee shall indemnify and keep indemnified the Assignor and hold the Assignor harmless from and against all losses (whether direct or indirect) damages, costs, actions, awards, penalties, fines, proceedings, claims, demands and liabilities (including without limitation, reasonable legal and other professional fees and expenses) which the Assignor may suffer, sustain, incur, pay or be put to by reason or on account of or arising from the Assignee's failure to pay, settle or otherwise discharge the Liabilities.

4. **GOVERNING LAW AND JURISDICTION**

- 4.1 This Assignment and any disputes or claims arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) are governed by and construed in accordance with the laws of England.
- 4.2 The parties irrevocably agree that the courts of England have exclusive jurisdiction to settle any dispute or claim that arises out of or in connection with this agreement or its subject matter or formation (including non-contractual disputes or claims).

5. **MISCELLANEOUS**

- 5.1 This Assignment may be executed in one or more counterparts, each of which, shall be deemed to be an original but all of which together shall constitute one and the same instrument.

This document has been signed on behalf of the parties hereto and is delivered and takes effect on the date stated at the beginning of it.
