ASSIGNMENT

WHEREAS, I, Donald E. Shinn ("Assignor") of 8323 Mullen Rd., Lenexa, KS 66215 have invented certain new and useful improvements in a

METHOD AND APPARATUS FOR CONDITIONING OF FRACKING SAND

for which I have filed a provisional application for Letters Patent of the United States, identified as follows: Serial No. 61/879,345 filed September 18, 2013; and

WHEREAS, Industrial Accessories Company ("Assignee"), a corporation duly organized under the laws of the State of Kansas and having its principal place of business at 4800 Lamar Avenue, Suite 203; Mission, KS 66202, is desirous of acquiring all interests in, to and under said invention, said application and any and all Letters Patent which may be granted for or upon said invention in the United States of America and all countries foreign thereto.

NOW, THEREFORE, to all whom it may concern be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer unto said Assignee the full and exclusive right, title and interest, throughout the world, in, to and under the following:

- (a) said invention as fully set forth and described in said application;
- (b) said application;
- (c) any and all non-provisional applications claiming the priority of said application;
- (d) any and all refilings, divisions, and continuations of said non-provisional applications;
- (e) any and all Letters Patents of the United States of America which may issue from said non-provisional applications, refilings, divisions and continuations;
- (f) any and all reissues of said Letters Patent of the United States of America;
- (g) any and all applications for Letters Patent on said invention that have been, or may be, filed in any and all countries foreign to the United States of America, together with all rights to file and to claim priority in connection with said foreign-filed applications;
- (h) any and all refilings, divisions and continuations of said foreign-filed applications;

(i) any and all Letters Patents of countries foreign to the United States of America which may issue from the said foreign-filed applications, refilings, divisions and continuations; and

(j) any and all extensions of, and additions to, said Letters Patent of countries foreign to the United States of America.

ALL of the above shall be solely held and enjoyed by said Assignee for its own use and behoof, and for its successors, legal representatives and assigns, to the full end of the term for which said Letters Patent may be granted, and Assignor does hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent in accordance with this Assignment.

Assignor further agrees to execute all paperwork and provide any other requested, non-monetary assistance in procuring, perfecting, enforcing, and/or defending Assignee's rights as assigned herein.
