**ASSIGNMENT OF PATENTS**

This Assignment of Patents ("Assignment") is made this 1st day of August 2008 by and between Bristol-Myers Squibb Company, a Delaware corporation, having an address at 345 Park Avenue, New York, NY 10154 ("Assignor"), and ConvaTec, Inc., a Delaware corporation, having an address at 100 Headquarters Park Drive, Skillman, NJ 08558 ("Assignee").

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor assigns, transfers and sets over unto Assignee its entire right, title and interest in all countries of the world in and to the patent applications and patents contained in Schedule A attached hereto and any patents which may be issued and/or granted thereon, and including all patents and patent applications arising from all divisions, continuations, reissues and reexamination certificates and extensions thereof, including any actions, claims and demands whatsoever, known or unknown, that Assignor may have had thereunder prior to the date of this Assignment, the same to be held and enjoyed by Assignee for its own use and benefit and for its successors, assigns, and legal representatives, to the full end of the term for which each of said patents are or may hereafter be granted as fully and entirely as the same would have been held by Assignor had this Assignment not been made. This Assignment includes the grant by the Assignor to the Assignee of the right to claim priority for the applications contained in Schedule A under the International Convention for the Protection of Industrial Property and under any other international agreement to which the United States of America is or hereafter becomes a signatory.

The Assignor hereby authorizes the division of the information provided in Schedule A by the Assignee in order to facilitate the conveyance, transfer and assignment, consolidation, vesting and recording in Assignee, full ownership of the patent applications and patents contained in Schedule A attached hereto.

IN WITNESS WHEREOF, Assignor has caused this Assignment to be executed by its duly authorized officer on the date first above written.
