ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, Delachaux S.A., a corporation of France, having a principal place of business at 119 Avenue Louis-Roche, 92230 Gennevilliers, France ("Assignor") according to the records of the United States Patent and Trademark Office, is the sole and exclusive owner of the entire right, title and interest in and to any and all improvements which are disclosed in the applications for patent and patents identified in Schedule 1 attached hereto;

Hereby sells, assigns, and transfers to: Conductix Wampfler France, a corporation of France, having a principal place of business at 119 Avenue Louis-Roche, 92230 Gennevilliers, France ("Assignee") its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all improvements which are disclosed in the applications for patent and patents identified in said Schedule I, and all divisional, continuing, substitute, renewal, reissue, and all other applications for patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said improvements; and in and to all rights of priority resulting from the filing of said patent applications, and the right to sue for damages for all infringements thereof;

Agree that said Assignee may apply for and receive patents for said improvements in its own name; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this Assignment, Assignor will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and representatives, all facts known to Assignor relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications

for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by Assignor.
