I hereby authorize and request Assignee, its agents, or representatives to insert in the attached Appendix the country code, filing date, and application number of any Future Applications when known.

Assignor agrees that, when requested, Assignor will, without charge to said Assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said Assignee, its successors, assigns and legal representatives or nominees.
