WHEREAS, Assignor is the sole and exclusive owner of all right, title, and interest in and to the patents and patent applications listed on Schedule 1 attached hereto, including all registrations, applications for registration, and common law rights, where such common law rights are recognized, as well as the goodwill of the business associated therewith (the "Patents");

WHEREAS, Assignor and Teradata Corporation, a Delaware corporation ("Purchaser") are parties to an Asset Purchase Agreement dated as of July 17, 2014 ("Asset Purchase Agreement") pursuant to which Purchaser is purchasing from Assignor, and Assignor is selling to Purchaser, substantially all of the assets of Assignor's business, including Assignor's entire right, title, and interest in and to the Patents.
