**COMBINED DECLARATION, POWER OF ATTORNEY, AND  
ASSIGNMENT FOR UTILITY OR DESIGN PATENT APPLICATION**

**Title of  
Invention**

**Systems and Methods Using A Mobile Device To Collect Data For Insurance  
Premiums**

**DECLARATION**

As a below named inventor, I hereby declare that:

This declaration  
is directed to:

- ☐ The attached application, or
- ☒ United States application or PCT international application  
number 13/490,166 filed on June 6, 2012.

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the above-  
referenced patent application (hereinafter, "the Application").

I declare that all statements made herein of my own knowledge are true and that all statements made on  
information and belief are believed to be true; and further that these statements were made with the  
knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or  
both, under 18 U.S.C. 1001, and that such willful false statements may jeopardize the validity of the  
Application or any patent(s) issuing therefrom.

Note to Inventor: 37 C.F.R. § 1.63(c) states: "A person may not execute an oath or declaration for an  
application unless that person has reviewed and understands the contents of the application, including the  
claims, and is aware of the duty to disclose to the Office all information known to the person to be  
material to patentability as defined in § 1.56."

**POWER OF ATTORNEY**

I hereby appoint Practitioners at Customer No. 86528:

all of the firm of King & Spalding L.L.P., my attorneys with full power of substitution and revocation, to  
prosecute this application and to transact all business in the United States Patent and Trademark Office  
connected therewith, and to file and prosecute any international patent applications filed thereon before  
any international authorities.

## ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, as the inventor of record, or we, as the joint inventors of record, hereby assign to:

**State Farm Mutual Automobile Insurance Company**  
**One State Farm Plaza, A-3**  
**Bloomington, Illinois 61710**

and its successors and assigns (collectively hereinafter called "Assignee"), the entire right, title, interest and right to sue throughout the world in the inventions, designs, and improvements which are the subject of the Application.

This assignment covers the Application and all patents which may be granted therefor, and all provisionals, divisionals, reissues, continuations, continuations-in-part and any extensions thereof.

I/we assign to Assignee all right, title and interest in and to the invention disclosed in the Application throughout the world, including the right to file applications and obtain patents, utility models, industrial models and designs for said invention in its own name throughout the world, including all rights to publish cautionary notices reserving ownership of said invention and all rights to register said invention in appropriate registries.

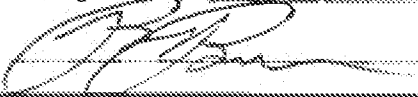

I agree to execute all papers in the USPTO in connection with the Application and any divisionals, reissues, continuations, continuations-in-part and any extensions thereof, including any powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection with any of such applications as the Assignee may deem necessary or expedient.

I agree to execute all papers in connection with any post-grant proceeding that may occur in connection with the Application or any divisional, reissue, continuation, continuation-in-part or any extension thereof and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such post-grant proceeding.

I agree to execute all papers and documents and perform any act which may be necessary in connection with claims or provisions of the Paris Convention for Protection of Industrial Property or similar agreements, including the right to claim priority and the right to be granted a patent in any PCT Contracting State, in relation to the Application or any divisional, reissue, continuation, continuation-in-part or any extension thereof.

I agree to communicate to Assignee any facts known to me with Assignee respecting any improvements in the invention disclosed in the Application; and, at the expense of Assignee, I agree to testify in any legal proceedings, sign all lawful papers, make lawful oaths and declarations, and generally do everything possible to vest title in Assignee and to aid Assignee in obtaining and enforcing proper protection for said invention in all countries.

I hereby authorize and request the USPTO to issue any and all Letters Patents resulting from the Application or any divisional, reissue, continuation, continuation-in-part or any extension thereof to the Assignee, as Assignee of my entire interest, and affirm and agree that I have not executed, and will not execute, any agreement in conflict herewith.
