ASSIGNMENT

WHEREAS, I, Rickey Shon Barchett, residing at 7110 Wethersfield Drive, Aiken, South Carolina 29801, am an inventor of one or more inventions (hereinafter referred to as "said invention(s)") described in an application entitled "SPARK PLUG RFI SUPPRESSION SLEEVE," filed August 29, 2014 and assigned Application Serial No. 14/472,992, (hereinafter referred to as "said application").

WHEREAS, Fenix Manufacturing Solutions, LLC (hereinafter together with its successors and assigns referred to as "the Assignee"), a South Carolina limited liability company, having a place of business at 2063 University Parkway, Aiken, South Carolina 29801, is desirous of obtaining all of my intellectual property rights relating to said invention(s) and said application; and

**NOW, THEREFORE,** for good and valuable consideration, the receipt and sufficiency of which I hereby acknowledge, I have sold, assigned, transferred and set over, and by these presents hereby sell, assign, transfer and set over to the Assignee any and all of my individual and/or joint right, title and interest in, to and under said invention(s) and said application, including the right to apply for any Letters Patent of the United States of America and in any and all foreign countries on said invention(s), and any and all other application for Letters Patent on said invention(s), in whatsoever countries, including all divisional, renewal, substitute, continuation, continuation-in-part and convention application based in whole or in part upon said invention(s) or upon said application, and any and all Letters Patent which may issue thereon in the United States and foreign countries and any and all reissues, extensions, renewals, divisions, continuations or continuations-in-part of Letters Patent granted for said invention(s) or upon said application, to the full term or terms for which said Letters Patent may be issued, and every priority right that is or may be predicated upon or arise from said invention(s), said application and said Letters Patent, the same to be held and enjoyed by the Assignee for its own use and benefit fully and entirely as if the same would have been held and enjoyed by me had this Assignment not been made. I hereby authorize the Assignee to file patent application in any and all countries on any or all of said invention(s) in my name, or in its name, or otherwise as the Assignee may deem advisable, under the International Convention or the applicable laws of a particular jurisdiction.

I hereby authorize the responsible official of the United States Patent and Trademark Office, and any official of any other country empowered to issue patents, to record this Assignment, and to issue or transfer all said Letters Patent on said invention(s) to the Assignee as owner of all right, title and interest therein, or otherwise as the Assignee may direct, in accordance with the terms of this Assignment.
