ASSIGNMENT

WHEREAS, we, Antony Colin Fryer, of Northallerton, United Kingdom, and Richard David Price, of Manchester, United Kingdom, have invented a certain invention, entitled SUBSTANTIALLY PLANAR ELECTRONIC DEVICES AND CIRCUITS, for which we are making application for Letters Patent of the United States, said application having been filed on August 21, 2014, and assigned U.S. Patent Application No. 14/380,199; and

WHEREAS, Pragmatic Printing Limited, a corporation organized under the laws of the United Kingdom, having a place of business at Idea Space, Enterprise Centre, 3 Charles Babbage Road, Cambridge, United Kingdom CB3 0GT, desires to acquire an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, Antony Colin Fryer and Richard David Price hereby sell, assign, and transfer to Pragmatic Printing Limited, the full and exclusive right, title, and interest in and to said invention, patent application, and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, patent application, and letters patent in this or any foreign country, and all corresponding non-provisional applications, divisions, continuations, continuations-in-part, reissues, and extensions thereof, to be held and enjoyed by Pragmatic Printing Limited, for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted by the United States or any foreign country, as fully and entirely as the same would have been held by us had this assignment and sale not been made, and covenant that we have full right so to do, and agree that we will communicate to Pragmatic Printing Limited, or its successors and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, and do everything possible to aid Pragmatic Printing Limited, its successors, and assigns to obtain and enforce proper patent protection for said invention in the United States or any foreign country.

We confirm that, at the time the invention was made, we were under an obligation to assign the invention to Pragmatic Printing Limited.

We hereby grant the law firm of Klarquist Sparkman, LLP, the power to insert on this Assignment any further information that may be necessary or desirable in order to comply with

all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.
