CP 8/12/14

(hereinafter referred to as "Assignee"); and

WHEREAS, Assignee desires to acquire the entire right, title and interest in and to the Applications, and the Invention, and in and to all embodiments of the Invention heretofore conceived, made or discovered by Assignors, and in and to any and all patents (including but not limited to continuation Applications, CIP Applications and reissue patents), inventors' certificates and other forms of protection (hereinafter referred to as "Patents") thereon granted in any and all countries and group of countries; and

WHEREAS, Assignors intend to assign said rights.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, acknowledged by said Assignors to have been received in full from Assignee:

1. Said Assignors hereby sell, assign, transfer and convey to Assignee the full and exclusive rights, titles and interests (a) in and to the Applications and the Invention; (b) in and to all rights to apply for patents on the Inventions in any and all countries pursuant to the International Convention for the Protection of Industrial Property or otherwise; (c) in and to any and all Applications filed and any and all Patent granted on the Inventions in any and all countries, including each and every Applications filed and each and every Patent granted on any Applications which is a division, substitution, continuation or CIP of said Applications; and (d) in and to each and every reissue or extension of any said Patents.
2. Assignors covenant and agree to cooperate with Assignee to enable Assignee to enjoy to the fullest extent the right, title and interest to the Invention herein conveyed in any and all countries and groups of countries. Such cooperation by Assignors shall include prompt production of pertinent facts and documents, giving testimony, execution of petitions, oaths, specifications, declarations or other papers, and other assistance all to the extent deemed necessary or desirable by Assignee (a) for perfecting in Assignee the right, title and interest herein conveyed; (b) for prosecuting any of the Applications; (c) for filing and prosecuting substitute, divisional, continuing or additional Applications covering the Invention; (d) for filing and prosecuting Applications for reissuance of any of the Patents; (e) for interference or other priority proceedings involving said Inventions; and (f) for legal proceedings involving said Inventions and any Applications therefore and any Patents granted thereon, including without limitation opposition proceedings, cancellation proceedings, priority contests, public use proceedings, infringement actions and court actions; provided, however, that the reasonable travel, business and legal expenses incurred by Assignors in providing such cooperation shall be paid by Assignee.
3. The terms and covenants of this Agreement shall inure to the benefit of Assignee, its successors, assigns and other legal representatives, and shall be binding upon Assignors, and their respective heirs, legal representatives and assigns.
4. Assignors hereby warrant and represent that they have not entered into and will not enter into any assignment, contract, or understanding in conflict herewith.
