# ASSIGNMENT OF APPLICATION

Docket Number (Optional)

013894-400100

Whereas, I/We, Kevin M. Dooley and Robert F. Kerner, hereafter referred to as applicant, have invented certain new and useful improvements in Localized Haptic Response

for which an application for a United States Patent was filed on August 27, 2014

Application Number 14/470,284

for which an application for a United States Patent was executed on \_\_\_\_\_ and \_\_\_\_\_

Whereas, Grayhill, Inc. here referred to "assignee"

whose mailing address is 561 Hillgrove Ave.

LaGrange, IL 60525

is desirous of acquiring the entire right, title and interest in the same.

Now, therefore, in consideration of the sum of One dollar (\$1.00), the receipt whereof is acknowledged, and other good and valuable consideration, I/We, the applicant(s), by these presents do sell, assign and transfer unto said assignee the full and exclusive right to the said invention in the United States and the entire right, title and interest in and to any and all Patents which may be granted therefore in the United States, and in any and all other corresponding applications or inventors certificates, including foreign, which the undersigned or the assignee may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States and foreign countries, which may be obtained from any of said applications, and in any reissue, division, continuation or extensions of such patents or applications.

I/We hereby authorize and request the Director of the U.S. Patent and Trademark Office to issue said United States Patent to said assignee, of the entire right, title, and interest in and to the same, for his sole use and behoof, and for the use and behoof of his legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.
