## **ASSIGNMENT**

For good and valuable consideration, the receipt of which is hereby acknowledged, I, the undersigned Assignor, hereby:

1. Assign to CASTion Corporation, a Massachusetts Corporation having a place of business at 10 New Bond Street; Worcester, Massachusetts 01606, its nominees, successors, or assigns, all hereinafter referred to as the Assignee, my entire rights, title and interest for the United States and all foreign countries, in and to any and all inventions which are disclosed in the application for United States Letters Patent(s) and foreign patent(s) and any patent applications in the United States or elsewhere as identified in the attached Schedule A, and in and to the application and all corresponding applications for patent protection and issued patents worldwide, including but not limited to China, Japan and Korea, on any of the inventions, and including the right to apply for patent rights in each foreign country and all rights to priority, including the right to claim priority for China, Japan and Korea;
2. Agree to cooperate with the Assignee to protect Assignee's interest in and rights to the inventions, applications for patent, and patents hereby assigned. I agree to execute any documents related to the inventions, applications for patent, and patents hereby assigned as reasonably requested by the Assignee, including all rightful declarations, oaths, assignments, powers of attorney and other papers which the Assignee deems necessary to apply for any patent or other proprietary right in any and all countries or to convey any right, title, or interest therein to any of CASTion Corporation's nominees, successors or assigns.
3. Request the Director of the United States Patent and Trademark Office to issue the Letters Patent to the Assignee.
4. It is the understanding of the undersigned assignor that this assignment document is to be employed in conjunction, abidance and accordance with the undersigned assignor's prior existing employee agreement with Assignee.

This instrument is executed under seal.
